From the Editor

Dear Comberton,

The sounds of lawnmowers and the smell of BBQs fill the air. The warm weather really did make an appearance last month! My family spent a glorious few days in the sun, getting a bit burnt, messing around in paddling pools and enjoying the first Pimm's of the season.

May always seems like such a joyous month. These loads of bank holidays, its definitely warmer, the days are much much longer and summer seems only just round the corner.

This month there's lots going on in the life of the village too. There's the opportunity to vote, plenty of events in the Three Horsehoes, the St Mary's Spring Sale and much more.

As a Contact team, we've had a bit of a nightmare with emails this month, so if you've sent something and it hasn't been included or you haven't received a reply I'm terribly sorry. Please do send it again and I'll do my best to respond. Fear not though, we're all back up and running!

Yours,

Chris

This Summer we are celebrating 5 years in the pub – where has the time gone??

During this time customers have raised thousands of pounds for local charities from events such as: Quiz Nights, Fire Walks, Waxathons, Darts Competitions, Race Nights, Bake Offs to name but a few. It's so important that you as a villager 'Love your Local' as it's the only one left in the village. Over the years we have seen many villages around us sadly loose the fantastic community hub that pubs provide.

We would like to take this opportunity to say a big thank you to our customers and staff for their support, the pub wouldn't be here without you.

We are busy getting the garden ready for Summer, putting the marquee up and our Summer menu will be in place from June. Once again we have many events planned this Summer so pop in for a drink or a meal to find out more information or visit our Facebook page.

Here are a few headline dates:

On Saturday 5th May we have Melissa Baker singing from 8.30. Sunday 6th May at 5pm (weather permitting) a BBQ.

Saturday 26th May we are hosting Comberton Village College Reunion at 8pm. Sunday 27th, again weather permitting we have a BBQ and music planned from 5pm. We will also be hosting our 2nd Charity 'Bake Off'.

Saturday June 2nd we are celebrating our 5 Year anniversary in the pub. Nick Moyster is singing and playing guitar from 8.30pm – come join us for a fun night.

Throughout June/July we will be showing the football World Cup matches and hoping England manage to stay in the competition for more than 3 matches....

We kick start July with our 3rd Beer and Cider Festival (Friday 6th, Saturday 7th & Sunday 8th).

We also have a BBQ arranged for 3pm on Saturday 7th July and will be visited by bikers from the Allied Memorial Remembrance Bike Ride.

The Three Horseshoes Cont.

It is a privilege to be Landlord and Landlady of our pub and have really enjoyed meeting and getting to know so many wonderful people. Receiving awards such as a Centre of Excellence from TripAdvisor and Rural Community Pub of the Year from CAMRA are all signs that we must be doing something right but there's nothing as rewarding as providing a vital community asset to our friends and customers.

If you have any suggestions for future events or have any questions, please contact us. Once again a huge thank you and we look forward to seeing you all for many more years at 'the shoes'.

The Bedford Gallery Quire

The Friends of St Mary's Church, Comberton present a 'West Gallery Music' Workshop and Concert led by Bedford Gallery Quire with guests The Greenwood Quire (Lincolnshire) and Norfolk West Gallery Quire.

Saturday 30th June 2018
St. Mary's Church, Comberton
CB23 7ED

Workshop 11.00 – 5.30 (doors open 10.30). £10 including music booklet and refreshments (free if in F/T education)

Picnic around the church (inside if wet) or lunch at the Three Horseshoes, Comberton (booking advised).

Concert from 6pm – 7pm with a Retiring Collection.

This workshop is for singers and instrumentalists who would like join experienced 'West Gallery' singers and players in learning accompanied and unaccompanied music (researched from local sources) for a concert which will take place following the workshop. It will be suitable for singers at all levels, and no sight-reading ability is expected; all of the vocal parts are 'doubled' by instrumentalists, who play a range of orchestral stringed or woodwind instruments.

All are welcome, but the music is not suitable for chordal instruments (guitars, mandolins, etc.) keyboards, or background or low-register brass instruments. The music is not technically difficult, and instrumentalists do not need to have recent playing experience, but should have been competent at around Associated Boards Grade 4 level or higher; young instrumentalists at any level will be very welcome.

Extracted, transposed and re-clefed parts can be provided, and the music will be available in advance on the Bedford Gallery Quire website, where further information about West Gallery music and its history will be found.

Please see page opposite for a booking form for this event, or use the form provided at the Bedford Gallery Quire website:

The week of 14th until 20th May is national Mental Health Awareness Week. This year the focus of the week is stress and how it impacts on our lives; by tackling stress we can improve the nation's mental health. The Library Service has a range of books covering mental health issues, including self-help books. Do have a browse, or ask the staff for help when you are next in the library, if you are interested in finding out more.

A few months ago, we publicised the fact that if you have computer access at home, or a smartphone or tablet, we have a whole range of eMagazines and eNewspapers available to download for free. A customer came into the library to say how easy she had found the whole process. You will need to be a library member, but membership is also free.

Log-in to the Cambridgeshire Libraries website and follow the link to our online library services, where you will find the guidance you need to take advantage of these resources. Again, do please ask library staff if you need any help.

Upcoming Rhymetime sessions: 14th May, 4th and 18th June (10.30 -11.00 am). Please note that although these sessions are aimed at very young children we welcome older siblings and pre-schoolers who enjoy singing too! If you haven't been to a session before, please do come along with your baby, toddler, or pre-schooler and give it a try. We have a lovely volunteer running the sessions and it is great fun for both children and adults.

The Library will be closed on Bank Holidays Mondays 7th and 28th May

Comberton Allotments and Gardens Association

Spring Plant Sale

Saturday 19th May - 10.00 am
Playschool

Our Spring Plant Sale takes place in the Playschool, by the crossroads, at 10am - we should have lots of fine flower and vegetable plants to sell all at very reasonable prices; they may even win you a prize in the Autumn Show! This is a 'bring and buy' event so if you have surplus vegetable or flower plants please bring along and add to our stock. Profits help to support the Village Autumn Show. FREE ENTRY so come early and bag the best bargains.

Autumn Show

Saturday 15th September
Meridian School

Photography subjects for this year's show are as follows:
for adult classes:- 'Art in the garden'; 'Boats' and 'Reflection' and for the childrens' class - 'My Best Friend – Animal or Toy'. As always we encourage a wide interpretation of the subject.

Best kept Allotment Competition

The Competition now alternates between the two allotment sites in the village in recognition of the different challenges in cultivation; 2017 was judged on the Long Road site only and we congratulate David Burman on winning the plate. 2018 will be judged on the South Street site only, so a challenge there for all the plot holders to create some real competition.

The Not-So-Secret Garden

Every year, Carrie opens the doors to her beautiful garden. Nestled in the heart of Cambridge, the garden offers visitors a chance to admire the plants, enjoy some cake - and support severely bullied and traumatised children.

Having founded Red Balloon in 1996, Carrie believes passionately that children who are too frightened to go to school deserve to be given a second chance. Red Balloon Learner Centres are dotted around the country - including Cambridge - and aim to do just that.

This year the garden opens on the 9th and 10th June, 11:00-17.00, at 49 New Square, Cambridge.

Weekend in France

Why not forget your Brexit blues, and come to France for a weekend in June?

Comberton Twinning Association is taking a coach to its twin village of Le Vaudreuil in Normandy for the 8-10 June 2018, and we still have spare spaces.

That weekend is a medieval festival, to commemorate a thousand years of their village church.

Costs are low: only £70 for adults, £35 for children, and we are hosted by French families. Speaking French is not a requirement.

For more information see CombertonTwinning.org.uk, email info@CombertonTwinning.org.uk, or ring Paul Hardy on 01223 263232.

The Annual Parish Meeting is a meeting for the whole village to receive reports from the County and District Councillors, Police and other village organisations on their activities over the preceding year, and to give residents the opportunity to raise and discuss any issues or concerns, and make recommendations.

Pavilion alterations

The Parish Council's Recreation Ground Working Group is liaising with the Football Club to prepare a formal proposal for the required alterations and a revised project plan, for consideration at the next meeting.

Recreation Ground

Quotations have been accepted for scarifying and applying moss treatment to the Recreation Ground extension, and for cutting back the southern boundary of the Recreation Ground.

Flood Plan

The Council approved the Community Flood Plan and this will be submitted to the Environment Agency. Leaflets are to be distributed to riparian owners outlining their rights and responsibilities, and reminding them of the need to keep the watercourses clear.

The Council will be discussing continuing issues with flooding and sewage, and the presence of Anglian Water tankers in the village, at the next meeting.

Village pond

Concerns about the pond overflowing have been reported to the County Council Highways department, as a pipe under the road is blocked, preventing water from draining away. Pond weed has been cleared and signs are to be put up to ask people not to feed the ducks. A quotation has been accepted to raise two trees

in the pond area and another quotation is being obtained for keeping the pond clear of brambles.

School buses

Following concerns expressed by residents, the Parish Council is writing to the Village College and Primary School to ask them to urge the school bus drivers to show caution and consideration to pedestrians in the village, particularly in the central narrow parts, and to lower their speed.

Haslingfield Little Theatre presents

RolePlay by Alan Ayckbourn:

7.45 pm, 17, 18, 19 May, Haslingfield Village Hall

A hilarious, poignant comedy, RolePlay is classic Ayckbourn and concerns mismatched couple, Justin and Julie-Ann, on the fateful evening when the dinner party they hold for their respective parents has unexpected, life-changing and chaotic consequences.

“combines sharp humour with tension, shows the characters at both their best and worst and the different classes of snobbery, accents and attitudes.”

Independent

“The writing is as funny, nimble and lethally observant as ever”.
Sunday Times

Tickets at £10/£7 concessions (under 16s & 65+, Thursday & Friday only) at:

Comberton WI

Hello again from Comberton WI. Since our last meeting we held our usual stall at the Easter Fair. Our Craft Group made a really eye catching display of the items they had made for sale at the fair, the profits from which are shared by the WI and the Village Hall.

The speaker at our April meeting, Nicki Sly, who talked "All About Alpacas" was excellent and went quite deeply into the setting up of a herd from the buying of her first alpaca to the showing of the animals. Though she is relatively new to the world of showing she has taken a number of firsts at really high levels with an alpaca which she bred.

In the first place all she really wanted was a ride on mower for her three acre plot but was persuaded by her husband to get the alpacas to save her the three hours she spent cutting the grass. She now has a full time job with her herd of twelve.

Our group was so captivated by the pictures she displayed of her animals that we hope to visit later in the year. As she explained alpacas are rather addictive so watch out for alpacas in Comberton after the visit !!

Don't forget we meet the second Tuesday of each month.

Breast Screening Unit

A number of Comberton residence has requested that the Breast Screening Unit be located or visit the Comberton Village College car park.

There has been some correspondence between the Parish Council and the Village Collage. The Village College seems unwilling to accommodate the request much to the disappointment of the Parish Council and certain residence.

It must be pointed out that the Breast Screening Unit is often parked in the Trumpington park and ride area, so that those without transport can call on Comberton Village Help Scheme and request transport to and from the Unit at Trumpington.

Comberton has a number of volunteer drivers who are happy to grant your request. Please see the panel on p9 to arrange a lift.

Do You Need Someone To Talk To?

Are you stressed or anxious? Perhaps life or work is getting you down.

Talking to someone who really listens in a kind, confidential and secure setting can help you understand what is causing you to feel the way you do. Counselling can give you the time and space to find solutions and new directions.

Apparently Spring is here, so I hope you have been able to enjoy the few days of sunny weather that made an appearance in between the showers!

As many of you will be aware, the Greater Cambridge Partnership (GCP) has been consulting on whether there should be a Park and Ride near junction 11 of the M11. Many Harston residents were concerned about the plans so last month, I attended the GCP's consultation event in Harston along with many residents, the Parish Council and local councillors.

The GCP tried to reassure everyone that the proposed P&R would not add to traffic congestion through Harston. Because there will be even greater growth on the Addenbrooke's biomedical campus the GCP understandably want to discourage M11 traffic from driving towards the City centre.

Since the meeting, I have spoken with local county councillors Kevin Cuffley and Roger Hickford and at length with the GCP's Chief Executive and Director of Transport. Although everyone recognises the enormous

employment growth coming to the campus, I believe Harston residents need more data to be persuaded by the "no increased traffic through Harston" argument.

I was therefore extremely pleased by the GCP Executive Board's subsequent decision to request further analysis be undertaken and opinion sought before the project is brought back to committee for a decision. I will continue to work closely with the GCP, local councillors and the Mayor to ensure ALL options are looked at, and the best solution identified. We must find a solution that deals with City congestion, but not at the expense of our villages. If we can help Harston with their already well understood congestion at the same time, then even better.

South Cambridgeshire continues to play a leading role in all things Brexit. This was recognised recently when Parliament's Exiting the European Union Select Committee came to Cambridge to hear evidence from local stakeholders on the implications of Brexit for the science and research sector. I was pleased to be able to attend the session as the Committee has an important role in examining the UK's continued

involvement in EU-wide agencies and collaborative projects, access to research funding post-Brexit, and potential changes to the general regulatory environment.

We have a wealth of experience on these topics and I am pleased that local stakeholders, such as Cambridge University, Astra Zeneca and Cancer Research UK were invited to participate.

Last month saw the consultation on the proposed closure of Cambridge Magistrates' Court come to an end. The proposal would see non-custodial work transferred to Cambridge County Court and custodial work transferred to either Huntingdon, Peterborough or, in some cases, Cambridge Crown Court.

I have been concerned about the lack of clear information surrounding the number of cases which would remain in Cambridge, how it would be decided which cases would be transferred out of Cambridge, the cost and appropriateness of using Cambridge County Court for Magistrates' Court work, and importantly, how the needs of the most vulnerable court users would be met.

The Ministry of Justice's plans lacked information about exactly what the closure of Cambridge Magistrates' Court might mean for my constituents so I wrote to the Ministry of Justice to seek more detailed information. Sadly, the information received has not diminished my concerns and I feel the consultation has been a missed opportunity to explain the plans with clarity.

These concerns were echoed at a meeting I had last month with our Police Crime Commissioner, Jason Ablewhite so I hope the Ministry will rethink their plans.

If you would like to read my submission to the Ministry of Justice, a copy is on my website - www.heidisouthcambs.co.uk/news/update-proposed-closure-cambridge-magistrates-court

The Government has also launched a call for evidence as part of its Cycle and Walking Investment Strategy safety review. The review will look at how road safety can be improved for all road users as well as looking at ways to boost walking and cycling. Here in South Cambridgeshire, we know the benefits of walking and cycling so this consultation really is welcome.
