From the Editor

Dear Comberton,

Last month my little family and I popped into the St Mary's Easter Coffee Morning in the Village Hall. Alongside picking up some Raspberry Jam and winning some Easter eggs, it was great to meet may of the people who email me contributions for the magazine and generally keep the communal life of the village ticking over.

As we prepare to move up to Leeds in mid-June, its this continuity of community that I think we will miss most about Comberton. Regularly encountering the same people who are committed to the flourishing of life of the village for the long term.

As spring start to really warm up, its great to see the trees and shrubs buddding, giving hope of a bright and beautiful summer.

Enjoy this edition of the Contact.

Yours,

Chris

Comberton Allotments and Gardens Association

Spring Plant Sale - Sat 11th May - 10.00 am - Playschool

We should have lots of fine flower and vegetable plants to sell at very reasonable prices; carefully cultivated though the summer they may even win you prizes in the Autumn Show!

This is a 'bring and buy' event so if you have surplus vegetable or flower plants please bring along and add to our stock - profits help to support the Village Autumn Show.

FREE ENTRY so come early and bag the best bargains.

Autumn Show – Saturday 14th September- Meridian School

The Photography subjects for this year's show are:

for adult classes:- 'Waterside'; 'Light and shade'; and 'Borders' and the childrens' class - 'My family and other animals'. As always we encourage a wide interpretation of the subjects.

Best kept Allotment

Competition – The Competition now alternates between the two allotment sites in the village in recognition of the different challenges in cultivation; 2018 was judged on the South Street site with Michael & Mavis Parcell winning back the trophy. 2019 will be judged on the Long Road site only, so a challenge there for all the plot holders to create some real competition.

Your Village Needs You

Do you want to see this village magazine continue to flourish? Well we need your help to edit the magazine. The current editor is relocating north next month and so a new editor is needed.

Its not a particularly difficult job and takes less than 10 hours each month (with July and December off for good behaviour). Even better it - can be done from the comfort of your own home. If you've never done anything like this before, then help and training can be given as well as plenty of encouragement. It will look great on a CV if you're interested in going into journalism or graphic design too.

Any questions or to offer help, please do get in contact with the current editor, Chris, at editor@combertoncontact.org.uk

St Mary's Open Day

Open Afternoon

Saturday 15th June // 2pm – 4pm Come and ring the bells, play the organ, go on a detective trail, eat, drink, zip-wire teddies down the tower, and more...All for FREE. Come and explore your beautiful medieval church.

Church Gift Day

On the same day we're inviting everyone from the village to consider making a gift to support the ongoing work of the church. It costs over £4000 per month to run St Mary's and it is only through the generous support of individuals that the church continues to be able to offer pastoral care, services at key

moments of life, and run projects like the Summer Hamper Scheme.

The church will be staffed from 10 – 4 and Gift Aid Envelopes will be available. Do consider popping by.

If you prefer you can donate to the 'Friends of St Mary's which will mean your donation will only be spent on the fabric.

Friends of St Mary's

With the support of the Friends, and as part of the programme of repair recommended by the last Quinquennial Inspection, work has been completed on the windows of the tower of St. Mary's, redecorating their external ferrimenta (ironwork supporting the glass) and consolidating the clunch around the west window.

The Herring Land Charity has generously granted £750 towards provision of disabled parking and access to St. Mary's. We continue to encourage contributions towards this important improvement and welcome comments on design.

Two dates for your diary: Saturday 15th June (afternoon). St. Mary's will be open - cream teas, zipwire teddies, bellringing, detective trails, crafts and lots more ...

Sunday August 4th (afternoon). To mark the centenary of the village war memorial (the church organ, recently restored), there will be a short re-dedication service and celebration tea like the one held 100 years ago. More information in future editions of Contact.

Comberton WI

Comberton WI April 2019
We have had really interesting speakers in the past two months.

Karen Reid, community protection officer who spoke on Scam and Fraud Awareness in March gave some excellent advice on how to recognise and avoid scams and was very willing to give individual advice.

Our April talk was on Stress, Anxiety and Relaxation. Sallie was highly qualified and clearly outlined the differences between stress and anxiety and the fact that some stresses could bring good results.

She was more than happy to answer questions and left us some written hand outs which should prove very useful. We carried out some breathing exercises which help with stress relief and ended with 15 minutes of relaxation practise which left most people feeling refreshed.

Next month is our Resolution month when the resolutions to go forward to the government are discussed and voted on. We are also fortunate to have a short talk by one of our own members on Miniature Quilts.

As you can tell our programme is really varied and in addition there is the craft group, the garden club and the lunch club available to all members.

From a Concerned Dog Owner

Yesterday at about 10.00am, I went up the Drift with my dog and passed a party of children and a few adults about to go walking up the Drift. I always do a circular route so didn't see them again.

This morning at the same time, I went up the Drift and a lady came towards me. She said her dog had just eaten half a chocolate egg and she'd decided to go no further. She showed me the other half she'd got away from him.

I kept my dog on the lead for a bit but he suddenly lurched into the undergrowth and I could see he had a largish, foil wrapped egg in his mouth! I was able to prize most of it out.

Although there were three cars parked up near Watts Wood yesterday, I don't remember any registration numbers. Neither did I recognise any of the adults or children.

This is a very thoughtless idea of someone to have an Easter Egg hunt where animals might harm themselves eating any eggs left hidden. At the moment, my dog is ok and I'm hoping the chocolate (which as I'm sure you know is poisonous to dogs) won't have any ill effects.

I wish I could somehow warn other dog walkers and also have a word with the organisers to make clear to them how a fun idea for children can be fatal to animals. Hopefully it was a one-off as it's not the nicest of places to encourage children to hunt in the undergrowth as dogs use the area to go to the toilet. Fileen Marsh

Comberton Twinning Association

20th Anniversary

Comberton is celebrating the 20th Anniversary of its twinning with the village of Le Vaudreuil in Normandy - near Rouen and the River Seine.

The French came to Comberton for the weekend of 5-7 April, arriving on Friday evening and going off to stay with host families.

On the Saturday we had a bilingual tour of Cambridge with two Blue Badge guides, where everyone learned something new about the city, and made new friends.

In the evening, we held a pot-luck supper at the Village Hall with musical entertainment by groups of Combertonians, and a lot of talking and laughter. The weekend was concluded with a visit to Girton College, including a wonderful exhibition of "People's Portraits", and a memorable lunch in Hall.

Why not take part in the 'Entente Cordiale' and overcome the Brexit blues!

We plan to go to France 20-22 September 2019, by coach and Eurotunnel, where we stay with host families and enjoy the French way of life – join us!

For more information, see www.CombertonTwinning.org.uk. To join, contact Glynis Ellis, tel 262214, email secretary@combertontwinning.org.uk.

Stronger for Longer

Strength and balance MOTs can keep you doing the things you enjoy

A local woman has put a spring in her step after joining strength and balance classes that are keeping her doing the things she enjoys.

Rita, aged 77 from Ely joined the fun and sociable class at the local library class having heard about it from a friend after a recent fall. The class featured as part of the successful Stronger for Longer campaign.

The campaign is now encouraging local older people to have a Stronger for Longer MOT to help keep them fit, active and independent.

With the help of a qualified instructor, a person will learn about their level of fitness to do everyday activities and find out what simple strength and balance exercises they could do at home or at recommended classes in the community.

The MOTs will be running throughout May across the county.

In South Cambridgeshire the MOTs taking place are:

Thursday 9th May 10am-12noon Kay Hitch Way Communal Room, Histon

Wednesday 15th May 2pm-4pm Orchard Close Communal Room, Girton

Thursday 16th May 10am-12noon Blythe Way Communal Room, Gamlingay

For more information on the MOTs go to www.cambridgeshire.gov.uk/stron gerforlonger.

Rita said: "The class has helped me with my walking, strength, balance, and posture, along with confidence outside of the class."

"I can see the difference in myself, I do a lot of walking and since going to classes I am now able to walk that bit longer without any problems – which means I can go out more and enjoy with my friends."

"Coming to the class will improve your well-being and help you to keep active. You will meet new people and it can be fun."

Since the launch of the Stronger for Longer campaign back in October, over 100 new people

have joined strength and balance classes around the county and are now stronger and steadier.

Over 2,300 people have also downloaded our Supersix leaflet, which is helping people to do strength and balance exercises at home at least twice a week.

The nearest strength and balance classes in the district are run by Forever Active.

For more information go to http://www.forever-active.org.uk/.

The Stronger for Longer campaign involves a range of partners, including Cambridgeshire County Council, Let's Get Moving Cambridgeshire funded by Cambridgeshire County Council Health Committee, District Councils, local NHS, Living Sport and Forever Active.

Heidi Allen MP Newsletter

Since my last newsletter, the twists and turns in the Brexit debate have continued apace. The Prime Minister's withdrawal agreement was rejected by Parliament for a second time, Article 50 has been extended (briefly) and MPs have finally been allowed to express their own views on a range of possible outcomes, having originally been denied that opportunity.

By the time you read this, the situation will have inevitably changed again! Although limited space prevents me from providing a more detailed explanation here, I have been providing rolling updates on my website so that constituents are up to date at all

times – especially about the votes I am casting on their behalf.

If you have not already taken a look, please do take a minute to have a look at the updates – www.heidiallen.co.uk

By way of headlines, I will never support "no deal," I don't believe the Prime Minister's negotiated deal is good enough and I will continue to support my constituents having the final say on any deal, versus remaining in the EU.

I know the votes I cast will not always meet with universal approval, but I give you my assurance that I will exercise my duties with the utmost

Restoring the past, building the future.

seriousness and always act in the best interests of my constituents and country throughout these turbulent times.

Away from Brexit, there's still the day job to do as I continue to focus on issues affecting South Cambridgeshire.

I know that many communities are concerned about hare coursing and its devastating impact. On the 5th March, I met with the Prime Minister's Special Advisor on Environment, Lord Randall, to make the case for new and improved legislation to deal with this scourge.

Along with the Police and Crime Commissioner and Superintendent James Sutherland, I outlined my concerns that hare coursing was not only increasing but that the measures for dealing with it had ceased to be effective.

Lord Randall agreed to look for legislative and other opportunities to bring about change, including the possibility of sentencing guidelines for courts and increasing the penalties available to them.

Cambridgeshire Police has a dedicated Rural Crime Action Team which does an excellent job but it is clear that both the police and the courts lack the powers to deal with hare coursing.

The police are having to rely on legislation from the nineteenth century to bring prosecutions and without sentencing guidelines for the courts and increased penalties, all too often the legislation does not provide an effective deterrent.

I was pleased that Lord Randall was so prepared to listen to our concerns and work with us to bring an end to hare coursing and the increased levels of crime associated with it.

Earlier this month, I visited Long Road Sixth Form and Cambridge Academy of Science and Technology to talk about my role as an MP.

It's fair to say that I was kept on my toes by a demanding audience! I answered questions about my decision to leave the Conservative Party, Brexit (of course!), how to heal divisions in society, education funding, Donald Trump and the possible outcome of the next general election....to name but a few!

From sixth form students to our youngest pupils, I was particularly moved by the story of five year old George, who has been leading the fight against litter in Duxford and gathering litter whilst donning a superhero cape!

I was so inspired by his commitment to the local environment that I joined him and other residents of Duxford for some litter picking one Saturday morning.

George is a great reminder of how local action on the ground can bring about positive change in our villages – well done George!
