A MESSAGE FROM THE EDITOR

I was gently chastised this month for inadvertently omitting two Red Cross events. I am always cross with myself when I make mistakes especially in your magazine, and when I do I apologise. Please remember that Contact is produced and distributed by willing volunteers and should not be regarded as the only means of promoting your events. I will, however, endeavour to do better. Having said that, I apologise in advance if you receive the April issue a little later than usual. The week I set aside for putting this issue together was a double disaster for me. First I was burgled and the aftermath, interviews and paperwork took precedence. Then one of my dearest friends became critically and terminally ill. I went to spend a few days being with her. She, sadly, died while I was there. My concentration has been below par so I do hope you will forgive any errors you may find. The covers of forthcoming issues are mostly still available so, if your group has an event you would like colourfully publicised, please contact me and book a cover as soon as possible. *Roll on Spring!*

PARISH COUNCIL REPORT

from the Clerk

The Parish Council met on 13th February 2013

LDF Local Green Spaces

The Government's National Planning Policy Framework (NPPF) has created a new designation called a 'Local Green Space', which allows local communities to identify important sites and rule out new development other than in very special circumstances, rather like the Green Belt. These sites could be identified in Local Plans. Comberton Parish Council has submitted for this designation the green lung through the village (south of the recreation ground running north and south of Barton Road) and also the allotments site in South Street, the allotment site in Long Road and Watts Wood.

Comberton Playground Project request for formal agreement with the Parish Council In consideration for receiving funds from the Comberton Playground Project, Comberton Parish Council agreed to use any funds received solely for the purchase and installation of playground equipment of a nature agreed with Comberton Playground Project.

Connection Bus

The Bus' visits from 1st April will be on a Wednesday at 7pm.

Bus service

It was noted that the recent questionnaires completed by village residents had not as yet been analysed by the County Council and further meetings will take place in the forthcoming months.

Vacancy on the Council

The Parish Council still has one vacancy. If you are interesting in joining the Council please contact the Clerk or speak to any of the Council's members.

Annual Parish Meeting

Every English Parish must have a Parish Meeting. All Parish and Town Councils throughout England are required by law to hold an Annual Parish Meeting between the dates of 1st March and 1st June (inclusive). This is not a Council meeting but a meeting of registered electors. The meeting will be held this year at 7.30pm on Weds 22nd May. Come to the meeting and join in the discussions. Everyone welcome. Is a Parish Meeting the same as a Council meeting? No. Although a Parish meeting is convened, chaired and minuted by the Parish Council, it is not a Parish Council meeting but a meeting of registered electors (including councillors who are registered electors). What is the purpose of the Annual Parish Meeting? - The purpose is to enable the registered electors to discuss parish affairs and to pass resolutions thereon. This meeting is also an opportunity for the Parish Council (and higher tiers of local government) and community group leaders to explain their activities over the last year. Who can attend the meeting? - Anyone may attend but only registered electors in the parish may speak and vote.

Will I be able to ask questions and make resolutions? - Yes, there will be an opportunity to ask questions of any of the speakers and also any registered elector may ask questions of the Council. Where ever possible and if the information is to hand then the questions to the Council usually be answered by the Chairman or by the Parish Clerk or a designated Councillor. Sometimes it is necessary to make enquiries after the meeting or refer the question to the Parish Council or someone else for an answer. If you have a question please send it to the Clerk as far in advance of the meeting if at all possible. An elector may also make suggestions and comment on parish issues and propose resolutions at the meeting. Resolutions relating to allotments are legally binding but all others are persuasive only, but will be considered by the Parish Council at their meetings. Who will chair the meeting? - The Chairman of the Parish Council must chair the meeting, if present. In his absence the vice chairman must preside if present. If neither is able to attend, then the meeting will elect a chairman from those electors present. Will Parish Councillors be there? - Although there is no compulsion, Councillors normally attend. They will speak if required, but the purpose of the meeting is to enable the ordinary electors to have their say. Councillors will listen with interest and as electors themselves, also have the opportunity to raise questions and make comments if they wish. Will notes be taken of the meeting? - Yes, a written record of the meeting will be taken by the

Parish Clerk kept in a special book. The rules on the signature and admissibility of minutes are the same as those for Parish Council meetings.

How long will the meeting last? - As long as need be within reason but this is at the Chairman's discretion. It really depends on those present and the number of questions and the discussion that is raised. Generally, the meeting will last no longer than 2.5 hours.

5137 Donations

Each year in the autumn in Contact the Parish Council invites applications for grants from village groups and organisations. At its next meeting the Parish Council will be considering applications from: St Mary's Church £750 (churchyard upkeep), Cambs County Council Summer Reading Challenge, Victim Support (ongoing development of work and support of people in local community whose lives have been affected by crime), The Police Shrievalty Trust (work improving the security of the homes of elderly, vulnerable or disabled people)

All parishioners are invited to attend the meeting and the first ten minutes or so are open to residents to ask questions or make comments and observations on Comberton matters or on items on the agenda. If the matter is on the agenda or has already been under discussion a response may be given at the meeting otherwise the matter will be tabled for fuller discussion at the next or a future meeting.

Planning applications

The Parish Council has a Planning Committee which meets once or twice a month depending on the timing of the planning applications received. The Committee is delegated to consider and respond on all planning applications on the Parish Council's behalf. Large applications or applications for multiple dwellings are still considered by the Parish Council. All Planning Committee meetings are open to the public in the same way as Council meetings are. The agenda for the meetings are posted on the village notice board in South Street. For information on any application or to make a representation please contact Cllr Janet McCabe.

WHO WOULD HAVE THOUGHT IT WAS BECAUSE OF THE FOUNDATIONS?

The property near ours started to develop cracks in the walls. At first they did not seem so bad. But as the years went on, they became wider and more numerous. First one wall developed a crack and then another. The cracks appeared at the top of the wall, and ran down as far as first floor, and then down to the bottom floor door or window. Thinking it was only a problem with the walls, workman filled with cracks on the outside with mortar. On the inside, the cracks were filled with the finest Polyfilla and duly papered over. Only the cracks kept on coming and kept getting worse. Eventually, the engineer was called in. "It's your foundations," he announced. "They need underpinning and the ground needs to be stopped from moving away from under the walls." Well, this sounded rather too radical for the neighbours, who were not accustomed to making such a large commitment. They worried about the implications. "It will cause a lot of disturbance," the lady of the house said. "I have other things to do that are more important. I don't think the engineer is right. He doesn't live here." the man of the house said. "The problem is just in walls, not the foundations." So, they went back to filling in the cracks on the outside and papering them over on the inside. Only now they have to do this more and more frequently, and the results are more and more unsatisfactory. Recently the insurers downgraded the house from AAA to AA1, because the risks were rising that the house could collapse. The couple realised that just mortar, paper and finest Polyfilla were not enough. Unfortunately, it was so long ago that the engineer gave them his report, they have since lost it. They still don't want to fix the foundations, so now every night they go to bed and worry

NEWS FROM THE MERIDIAN PRIMARY SCHOOL

Opportunity - Creativity - Challenge

Excellence for All

Under the previous government there was a requirement placed on schools to help develop 'community cohesion'. The idea was that schools could play a major part in creating harmony and preventing discord in their communities by reaching out beyond the school gates. 'Community cohesion' was even part of the previous Ofsted inspection arrangements. Under the present government this focus appears to have lost its high profile and is certainly no longer part of the inspection schedule. However, I must say that I rather mourn its passing. It certainly made me think hard about how we engage with the local community and gave birth to a few initiatives which we still continue. My regular monthly piece in this magazine, and those of Toft and the Eversdens, is just one of those initiatives! I thought you might like to hear about some of the other ways in which we engage with the local community. For example, we have a small choir at school who meet on a Monday lunchtime and a piece of news which always makes them very excited is that they are going to sing at Home Meadow. We generally take them down in a minibus (loaned by Comberton Village College – another great link!) and they sing to the residents there and have a chat. Both the children and the residents love it. We are also currently strengthening our links with Comberton Playgroup. We are planning more visits (in both directions) and some joint events too. I personally like to represent the school whenever possible. For example, I have had the rather difficult task, for several years now, of helping to judge the Christmas tree competition at the church in Toft. Not easy, I assure you! Also at Christmas, I always like to do a reading at the carol service at St Mary's, Comberton. Just last month, I enjoyed talking to the Friendship Club about Meridian and what special things it has to offer. We are fortunate in having a relatively large school hall for a primary school, and this is let out every evening for at least one (sometimes two) evening classes. We also let out some classrooms every Saturday for 'Dutch school' which is an organisation run from the Netherlands to support children who are bilingual in Dutch and English to keep their Dutch at a good level. Community cohesion goes further than thinking just about our own villages, however. Our children will be global citizens and we need to prepare them for that. As I write we are getting ready for Red Nose Day and I have just shown the children a film about a little boy who lives in a shanty town in Nairobi. They were visibly shocked by the conditions under which he lived. The fun of Red Nose Day will, I hope, have a greater significance for them now they have seen the face of real poverty.

COMBERTON WI REPORT

March 2013

Our speaker in March was Rose Bowen, a professional actress whose stage name was Rosemary MacHale. Rose had worked in theatre, film and television over many years and talked us through the process of becoming involved in a play. It starts with your agent sending a script and the initial read through and then a discussion with the director. If the job is offered, a pay deal is negotiated and then total commitment is expected from the actor. Rose spoke with enthusiasm about the challenge of working closely with fellow actors to interpret a playwright's ideas and bring the characters to life. She related many amusing anecdotes from her acting days and showed us photos from her long career. Date for Diary: Tuesday April 9th at 7.45pm in the Village Hall, "A View from the Porter's Lodge" with Alan James. Visitors are always welcome.

BOWLING IN COMBERTON

Have you ever thought that you might like to have a go at bowling – well now is your chance. We are having a taster session this year on Sunday 21st April from 2.00 pm We will also be having some evening sessions when you can also come and meet us and have a try-out of bowling. You don't need to have bowled before, we have bowls you can borrow and people who can give you a general idea of what the game is all about. You will need a pair of flat shoes such as trainers. Whatever your age come along and give it a go. In the words of Del boy you know it makes sense! If you want any more information you can contact either Gillian (263734) or Irene (262084). We look forward to meeting you

If you can help me out with any old duvet covers, sheets, pillow cases or cotton curtains please get in touch with me, Jenny Bowles, at jennymbowles@gmail.com or on 07819341871 and let me know when it is convenient for me to come to collect or I am happy to meet at the Comberton Cafe on a Tuesday if you would prefer. They do not have to be children's designs - rips, tears or stains are unimportant as once crocheted these will not show. Happy to give a donation if you were intending to donate to Bags to school etc which is where all my old ones have gone! Thank you for your time

MORE CHOICE IN SOCIAL CARE

Social care is provided to people who have been assessed as having substantial or critical support needs with personal care, getting meals, managing medication and staying safe. If you need social care the County Council will arrange your care for you, but they now have a duty to offer and provide Direct Payments. Direct Payments are an alternative way of getting the care and support you need. They are cash payments made directly into a Direct Payment bank account so that you can use the money to make your own social care arrangements. With a Direct Payment you have more choice, control and independence about how your care is organised. If you would like to find out more about Direct Payments visit the Your Life, Your Choice website at: www.yourlifeyourchoice.org.uk, pick up a leaflet from your library, phone adult social care enquiries on 0345 045 5202, or contact the Cambridgeshire Direct Payment Support Service on 0845 6000 684.

BEWARE OF JEWEL THIEVES

On Thursday 14th March I returned home from a charity Quiz Night to find that I had been burgled. The police are quite sure that the thief (and only one entered the house they say) was a professional because the style of the burglary fits a number that have been carried out in South Cambridgeshire recently. Although the house was securely locked they took secateurs from the potting shed and used them to break the frame of a double glazed downstairs window. They

then threw the secateurs into a plant pot and climbed in. They opened cupboards in every room of the house and left them open with the contents still intact but rummaged through. Upstairs, empty jewellery boxes were strewn over my bed. They had taken almost everything, including worthless beads and bling. Heirlooms such as a fob watch of my great grandfather's, my grandmother's engagement ring, Michael's mother's ruby and moonstone bracelet, my great uncle's police medals and two oil paintings of woodland scenes which belonged to Michael's grandmother – all gone. They also took me engagement ring and my eternity ring, Michael's wedding ring, a ruby and pearl necklace which he gave me for my 70th birthday, a silver charm bracelet which I was given on my 21st birthday and to which I had added silver charms to commemorate events in my life since then and a solid silver tea set. I do urge you to be on the lookout for my stolen items and for yourselves and your belongings.

ANGLIAN WATER REPORT

Dear All,

Andrew Hollick and Nick Taylor can report that the meeting with residents, Anglian Water, Environmental Health and District/Parish (Richard Ellery and Simon Moffat) Councillors went well. Many questions were asked and many were answered, and there will be more feedback to the Parish Council from Anglian Water, SCDC, with comments on various things from size of pipes to more communication and support for the village with regards to clean up and information etc. We can comment more at the next Parish meeting, but basically....Anglian Water have fitted two new larger capacity pumps in Bush Close and they are quite confident that this should meet the needs of the Village. The new larger pumps are fitted with flow meters which automatically switch on the pumps when required. This new equipment ought to dramatically reduce the risk of future flooding. It is worth mentioning that once AW are confident that the

use of tankers are no longer required, they will arrange for any repairs to the verges and high-way. For future reference, it is also interesting to know that we get all the sewage from Toft which gravity flows down to Bush Close and then is pumped up to near Barton Burial Ground before being pumped to Haslingfield. We think that finally after all the past problems and recent complaints, AW have done a lot to solve problems and will continue to improve the infrastructure under Brian Mills who is the present Maintenance Engineer Manager. The only way to see if these pumps work, is to wait for the rain to fall and see what happens! At this point we would still recommend that no planning for any additional housing in the Village should be granted until suitable assurances are made with regards to the capability of the pumping stations in Bush Close and Barton Road, to facilitate any future Development. Many thanks to the parishioners who came to the meeting. Andrew and Nick

Cambridgeshire Constabulary's Facebook page has received an early birthday present after receiving its 10,000th supporter. The force launched the CambsCops page on the social media site on March 1 last year in a bid to engage with more people across the county. The page has been used to provide information on investigations, makewitness appeals and publicise events, campaigns and crime prevention advice. It has now received more than 10,000 "likes" from users of the social media site who will receive updates from the force on their own pages. As well as the CambsCops Facebook page, the force has several specialist Facebook pages, including a local policing page for East Cambridgeshire residents and a dedicated HorseWatch page. The

constabulary also has a number of accounts on social media site Twitter, including a CambsCops account that also has almost 10,000 followers. Digital communications officer Hayley Morris said: "To have reached 10,000 likes before the site's anniversary is excellent and I am delighted with the response we have had in the first year. "We have increased our presence across social media to engage with people who might not use traditional media such as newspapers or other news outlets. Social media has proved particularly helpful in allowing us a direct dialogue with the public of Cambridgeshire. We're continuing to look at new ways to share information with the public and hope to build on the success of our Facebook page to bring more localised updates to the community. If you are interested in getting closer to policing in Cambridgeshire and want to find out about crime and investigations where you live, visit our Facebook page at facebook.com/CambsCops. asking them to donate an additional £5.00 means you will raise at least £35.00 from your supper but we will also give you additional fundraising ideas to raise even more money for SIA. Since 2009 we have raised over £20,000 and it has become our flagship community fundraising event. We want to raise £10,000 from this event in 2013 we can provide more support to spinal cord injured people. The money raised from the suppers will help the Spinal Injuries Association offer support to individuals who become paralysed and their families, from the moment a spinal injury occurs, and for the rest of their lives by providing services and publications which enable and encourage paralysed people to lead independent lives. Every year in the UK over 1,000 people experience a spinal cord injury and there are an estimated 40,000 spinal cord injured people in the UK alone. Community Fundraising Manager, Elizabeth Wright, says, "The Fish and Chip Supper is a wonderful opportunity for a great evening with friends and family. We are also encouraging people who work to hold a Fish and Chip Lunch in their work places to raise even more funds. You may be even a local community group wanting to run a fun evening with your group. Be a part of something special and make a real difference to help spinal cord injured people gain access to the information and support they need to enable them to live full and independent lives." The first twenty prime numbers are : 1, 2, 3, 5, 7, 11, 13, 17, 19, 23, 29, 31, 37, 41, 43, 47, 53, 59, 61 and 67. Using these A (the sum of the twenty cubes) is 1267055. B (the total of the twenty prime numbers) is 323761 and C (the sum of the twenty individually squared numbers) is 24967.

Therefore $4B = 1295044$ less 1267055 and 24967 gives you 3022 , divided by two = 1511 = Year of foundation of St. Johns. Cambridge.

THE CHALLENGE

Sponsored by Costcutter Stores

What follows is a short extract from the ravings of Korky the Cat on hearing of the demise of the DANDY. Unfortunately Miss Stype his secretary has made a series of errors, replacing a number of letters by asterisks. The amazing news is that the missing letters, in order, pose a question. Your task is to simply provide an answer.

In Xanadu did Kubla Khan a stately pleasure-dome decree; *here Alph, the sacred river, ran throug* caverns measureless to man d*wn to a sunless sea. So twice f*ve mile* of fertile ground with walls and towers were girdled round ; And *here were gardens brig*t with sinuous rills, wher* blossomed *any an incense-be*ring tree; And here were forests ancient as the hills, enfolding sunn* spots of greenery, But *h! that deep romantic chasm which slanted down the green hill athwart a ceda*n cover ! A savage place ! As h*ly and enchanted as e'er beneath a waning moon was haunted by a woman wailing for her demon lover ! And *rom this chasm,with cease*ess turm*il seething, as if this earth in fast thick pa*ts were breathing, a mighty fountain momentarily was force*, and 'mid these dancing r*cks at once and ever it flu*g up momentarily the sacred river.

(With many thanks to Samuel Taylor Coleridge , Korky's Classics professor at Oxford, who clearly influenced our feline hero's pre Dandy years).

OPEN JULY

Open July' is being planned for 2013. This is an opportunity for you to benefit from shared promotion of events across the County. The range of events and activities will be wide - Sports, Arts, Culture, Community Games, Recycling, Access to Countryside, etc. Events that have worked well in the past have been family activities, taster sessions, accessible and participatory events. There is no specific theme this year as we'd like to enable as many organisations as possible to be a part of this, and for the event to be open to all. One year on from an excellent Olympic and Paralympic Games, it is essential that work continues in Cambridgeshire & Peterborough to ensure that the County benefits from the value that legacy development can bring. The Group for Olympic Legacy Development, GOLD, (consisting of elected members and senior officer of the local authorities, Living Sport, Volunteer Centres and Health professionals) has developed 6 strands for legacy development; this is one of them. The Cultural Olympiad opened up opportunities for people across the UK to visit spaces, places and people and get them involved in imaginative, thought-provoking creative activities. We are keen to capitalise on the successes of the previous years of 'Open Weekends' as they helped to promote cultural and community-led activities to the residents of Cambridgeshire. Particularly popular were the joint arts, culture and sport activities that allowed taster opportunities and a vibrant atmosphere for families to try something new. If your event has sporting and cultural elements you could apply to be part of the Community Games, with funding of up to £250. For more information about the Community Games in Cambridgeshire and Peterborough contact Jim Hill at jim.hill@livingsport.co.uk or 01487 841559 or see <http://www.communitygames.org.uk/organise-games>. We will post the Open July event on Cambridgeshire.net, and will promote it widely through our communications team at the County Council. We hope that you'll consider what events you can arrange for July. If you already have events arranged, please notify us of the details on the attached spread sheet below, and return to Charlotte.Wilson@cambridgeshire.gov.uk by Friday 5th April 2013. If you would like to send any photographs or pictures to accompany our promotion of your event we will endeavour to include it wherever possible.

We look forward to hearing from you.
