## A MESSAGE FROM THE EDITOR

I do hope that it is not too late to wish you all a happy New Year. Firstly, on a personal note, I apologise if you find any errors in this issue of Contact. I do hope that I have not forgotten to put in anything which you might have sent me. The truth is that I have been struggling to keep my mind focussed on producing this edition.

Secondly may I say a very big 'thank you' to all those of you in the village who have been so kind in so many ways to me since Michael, my husband, died just before Christmas. In all the messages of sympathy which I have received the word which stands out is 'gentleman' and that is certainly what he was - a gentle man. I am only thankful that, although he knew he was dying, he had no excessive pain and we were able to share a few quality months with family and friends. His end was quick and peaceful - a blessing indeed. The funeral was lovely with our large family taking part and the church full to overflowing. Thank you so much to all who came and sent messages of sympathy.

Liz has asked me to point out to potential advertisers that 15th of each month is the deadline for sending in copy AND the fee for the advert.

The Cambridge Building Society has notified me that they will soon be sending out forms for their annual village magazine awards.

## MONDAY STUDIO

On the weekend of 10<sup>th</sup> and 11<sup>th</sup> July Monday Studio, a village art group, will be organising an Art and Craft exhibition in the Village Hall.

We would like to invite other village people, or members of village-based groups, to join in with us to show off our combined skills in the arts and crafts world.

This can be work in any medium and either amateur or professional. It is not necessary for the work to be for sale, but it would be expected that a percentage of any sale profits will go to the Village Hall funds.

Please don't be shy, we know that there is a wealth of talent in the village; come and show us what you do working away in the spare room, at the dining table or closeted in the garage.

***Let us show that Comberton has talent.***

If you would like to register an interest contact Sue Painter, Secretary for Monday Studio, on 01223 263315.

## NEST BOX DAY AT BURWASH MANOR, BARTON

February 14th, 11.00 until 4.00pm

Spring is approaching and birds and bees are busy looking for a place to nest. So the RSPB will be with us to help you find out which birds prefer which type of boxes and where is best to position them. And you can create a sanctuary for birds by making your own nest box to put in your garden.

For more details, see [www.burwashmanor.com](http://www.burwashmanor.com) or contact me by email, or by phone on Kathryn 07791 905 306

## REQUEST FROM MERIDIAN PRIMARY SCHOOL PTA FOR NEARLY NEW UNIFORM

Meridian PTA would like any donations of GOOD quality secondhand uniform to add to its existing stock. We have recently spent several hours sorting the uniform and selecting only the best quality items for re-sale. There is a wide range to choose from for infants and juniors: jackets, fleeces, cardigans and jumpers, skirts, trousers, dresses and looking to spring/ summer, we have many summer pinafores and boys shorts. Most are priced at 50p with some up to £5 for a good quality 'school logo' jacket.

All items donated must be freshly washed and in very good condition as we are keen to improve the quality of this service for parents. As a general rule, if you would not buy it yourself, please do not donate it. Items can be left at School Reception for the attention of Annette or Alison.

We will be holding sales between now and the end of the school year and will have a table at school events coming up. If you have a child coming to Meridian in September why not start your shopping early and come along to school and see what we have and maybe save yourself some money?

CAMBRIDGE

Rooted in tradition but forward-thinking, St Mary's was built on the vision of a 17th-century woman who had the audacity to believe that girls could do anything. We couldn't agree more.

For more than 100 years, St Mary's has been helping girls build the confidence they need to thrive. We focus on the whole girl – giving her the solid foundation she needs to successfully navigate today's rapidly changing global landscape.

From academic and extra-curricular activities, to leadership building and charity work, St Mary's celebrates the individual, challenges the mind and ignites the spirit.

## PARISH COUNCIL REPORT FROM THE CLERK

The Parish Council met on Wednesday 13 January 2010

### ***Financial year 1 April 2010-31 March 2011 - Budget and Precept***

The Council has approved its budget and set the Precept which will slightly less than this year's. For a copy of the full budget please contact the Clerk.

The Budget was based on the following adopted principles:

- The Council will continue to look for other sources of funding apart from the Precept to fund its budget
- There should be strategic benefit
- The Council should endeavour to make the pavilion run at as near to, if not at, nil cost
- Support should be given to other village groups and organisations which benefit the village.

Some important assumptions have been made with regard to income, namely that significant matched-funding will be available for improvements to the Recreation Ground; and that SC District Council will part with some of the new-build levy which we believe has already been collected from recipients of planning permissions.

### ***Affordable Housing - The Valley site***

Residents attended the meeting to hear Mr Paul Harney's proposals for the site which already has planning permission.

### ***Casual Vacancy***

Notice is hereby given that another casual vacancy has now arisen on the Parish Council. Following the resignation of Charles Chambers. If no ten electors call for an election the Parish Council will be able to co-opt someone on to the Council.

If you are interested in joining the Parish Council please write to or email the Clerk.

We are starting the month with a half night of prayer on February 5th - please drop in and join in the prayer for as long as you are able to.

The Children's Barn is nearing completion, and work on the serverry inside the church starts soon. We are working hard to make St Mary's a welcoming place for everybody in the parish. There is still a financial short fall - look out for next month's auction of promises, which we hope will go a long way towards closing the gap.

# NEWS FROM THE MERIDIAN PRIMARY SCHOOL

Opportunity - Creativity - Challenge

Excellence for All

I thought that this month you might like to hear some more about our progress towards gaining the Eco-Schools Silver Award. We have a very committed Eco-action Team, consisting of representatives from Years 1 to 6, a parent, the Site Manager and myself. We meet about once a fortnight at lunchtime and discuss a variety of ways in which to make our school more eco-friendly.

In the area of organic waste, we now have two compost bins into which the younger children put the waste from their free fruit (courtesy of the government's free fruit scheme). We also have a bin for organic waste provided by the council, where we put uncooked kitchen waste, leaves etc.

Thanks to a parent, we were alerted to some eco-friendly cleaning products. The site manager and cleaning team trialled them and we have now adopted some for daily cleaning of the school.

Younger members of the Team are very keen to put up posters throughout the school, both commercially produced ones and the (much better) ones they have made themselves.

Meanwhile, the older team members are involved in monitoring our electricity use by means of a very clever device attached to the meter. In our Switch Off Fortnight, we were able to report to the whole school a real drop in consumption. Unfortunately, the recent weather has temporarily put an end to that!

In the area of recycling, we have crates in every classroom for waste paper which the children put in a central bin every Friday afternoon for collection. Three times a year, we collect good used clothing to be sold at reasonable prices in countries where it is needed, thus recycling, helping others and raising money for the school all in one go! We also recycle ink cartridges, and have recently set up a box for old mobile 'phones, which can also raise money for the PTA. After Christmas, we discovered that The Woodland Trust would accept Christmas cards for recycling and so yet another box was created for those. We'll run out of space soon!

As you can see, the Team are not short of ideas and if ever I feel that my enthusiasm is flagging, I only need to talk to the children to feel energised by their commitment.

Our next major project is to take part in Earth Hour once again. You may remember that this is an international event in March when lights are turned off all over the world. I'll let you know how you too can get involved next time...

## COMBERTON VILLAGE COLLEGE 50TH ANNIVERSARY CELEBRATIONS

Comberton Village College celebrates its 50th birthday in March and a wide range of events have been planned to mark the occasion. Proceedings will be kicked off with the formal opening of the new buildings (5th March) which house the music and drama departments with a display of press cuttings and memorabilia about CVC through the decades alongside art work by current students. During the evening of the 5th there will be a Music Concert covering a wide range of styles from classical to rock and pop. On Saturday 6th March a family activity day takes place where people can come and try some of the many arts, craft and sporting activities which happen at CVC throughout the year and during the evening there will be a formal Dinner Dance to mark the 50th Anniversary in style!

The month long anniversary festival will feature two large theatrical productions: Bourn Players – Kiss Me Kate (18th to 20th March) and CVC's own Audacious Productions

– Into the Woods (24th – 27th March). Alongside these musicals there is a Cambridge Choral Society Workshop with Ken Burton (Flashmob Opera etc) on 13th March and an evening of rock music by bands from the area called No Competition (10th March). Custard Comedy have Alun Cochrane from TV's 8 out of 10 Cats and Mock the Week appearing on Friday 12th March. The month will also feature the South Cambs Chairman's Arts Awards on 31st and the whole thing will be rounded off with a CVC staff talent show on the 1st April (the date is coincidental we are told!). So there will be plenty of arts and fun for all the family and a fantastic way to celebrate the past 50 years at Comberton Village College. For more information please visit:

### A BIG THANK YOU

The community Christmas lights event on Friday 4<sup>th</sup> December was a huge success. Around 200 residents crowded into the grounds of the playgroup. This is the 8<sup>th</sup> year that this event has taken place. The Parish Council would like to thank the following people for the part they played in making the event a success; Charles Chambers, Amy Bland, Howard Roscoe, Jock Walsh, Roger Abraham, Clare and Stuart Tunstall, Hilary Kingshot, Jane Winney, Ann & Steve Webb, Chris Westgarth, Janet McCabe and Sandra Hyde.

The night was cold, the air crisp, the new lights twinkled, the Salvation Army band played our favourites, we sang heartily, we enjoyed the festive punch, mince pies, gingerbread men and chestnuts. Afterwards the band played for the residents at Nursery Way and enjoyed a warming cup of coffee and biscuits – thank you Agnes and Peggy.

Thanks to your generous support the bucket collection for the work of the Salvation Army raised £190.

## CHRISTMAS EVENTS IN COMBERTON

We are incredibly lucky to live in Comberton and to enjoy such a fantastic community spirit. There are so many people who organise wonderful events for us to especially in the weeks just before Christmas.

Last weekend the Christmas Lights at the Crossroads with the lively Salvation Army Band and us villagers carol singing was a lovely evening.

We also had the Christmas Fair in the Village Hall (with a visit to Santa's grotto), and The Comberton Cantabile at St Mary's Church. What a superb evening listening to the choir, to interesting "recitatives" and also to an amazing soprano soloist.

We owe a big THANK YOU to all people who did the hard work organising these events enabling us to have a wonderful Christamassy weekend. The mulled wine was flowing and mince pies and other refreshments were also in abundance mmm.....!

Coming up soon we have the delight of the pantomime, Snow White in the Village Hall and the Candlelit Carol Service at Comberton Baptist Church.

Where else could you find such wonderful entertainment and joy about Christmas?

The Club held a meeting on Thursday January 14th, the first meeting of 2010, was snow free and easier for members to attend.

One of our member was the speaker for this month and gave an enjoyable and interesting chat with props included! Pete Brown worked for the railway from sixteen until retirement, being stationed in Cambridge, so we learnt quite a lot about various engines and some of the highlights of his career.

## COMBERTON WI

The December meeting is traditionally a Christmas party organised by the members. This year's festivities were co-ordinated by Nerys Wright and Joan Mead. Members enjoyed the songs performed by Joan's singing group and joined in as well. We had a

## MERIDIAN SAFER TRAVEL COMPETITION

We held a School presentation at Meridian School, Comberton in November. The presentation title was Safer Travel to School Awareness. The children engaged in the assembly and held discussion groups within the class room. We then ran a competition to design a new road sign. The thought and effort for those who entered the competition was really encouraging and I am delighted to announce that we have two winners: Alice O'Connley Yr3 and Alex Callan Class 2, who will be going to see the

Helicopter at Wyton. I would like to thank all of those students who entered. Well done to the winners and I hope you have an enjoyable day. Trudy Newman-Hart

## CASH MACHINE THEFTS

We want to make you aware that there have been a number of incidents at cash machines in Cambridge during the last few weeks where users withdrawing cash have been distracted and had their money stolen. To date, 8 offences have taken place at various locations in the city. Male and female offenders have been operating in two and threes and have been described as speaking with Eastern European accents. They have then approached the victim from either side and once the victim has pushed their card into the machine and entered their pin number, the offenders distract the victim by waving a newspaper in front of the screen asking for money to buy food. Whilst distracting the victim, another offender then enters a cash withdrawal amount of at least a £200, they then leave after taking the money and the victim doesn't realise until they find their card has been returned. Amounts taken have included £200 and £300. In two cases users

## SNOW WHITE PANTOMIME IN COMBERTON VILLAGE HALL

Dear Editor

I would like to say a big THANK YOU to all the people who put in so much hard work to give us the Snow White pantomime. They gave us so much fun and enjoyment yet again. Clearly all the actors, especially the children, were thoroughly enjoying themselves as much as we, the audience, enjoyed watching them. The music and jokes were brilliant too and there was much booing, hissing and shouting "He's behind you"!

Well done to all of you and we are already looking forward to learning of your next venture.

Eileen

## CROSSROADS CARE

**Crossroads Care Cambridgeshire** is a Charity that exists to relieve the stresses of unpaid carers of *all ages* who have a caring commitment to a relative, neighbour or friend needing support because of their sickness, age or disability.

### Did you know?

- One person in 8 is a carer
- The number of carers in the UK is likely to double over the next 10 years
- There are 50,000 carers in Cambridgeshire. Most are friends and family, some are elderly or unwell themselves and at least 1300 are children or young people
- Over a third of carers have not had a break in the last 2 years
- If every Carer stopped caring, it would cost the government an extra £87 billion per year.

A carer's life is often restricted by the need to be on call 24 hours a day because the person they look after cannot be safely left alone for long periods. Carers are often

## THE ONE THAT DIDN'T GET AWAY

Louis Young, an 11 year old boy who lives at 65 West Street, Comberton is holding a fish which he caught in a Village pond in late September. The fish is a Carp. It weighed 5lb 9oz and was returned to the pond.

## LAWN CARE IN FEBRUARY

### Mowing

Mow the lawn as required. Don't be afraid to mow if the lawn (if it needs it) even if it is February, as long as there is no frost on the ground.

### Moss Control

I recommend that you treat it now so that it doesn't compete with the grass in the spring. If moss is left untreated the grass becomes thin and is suffocated leading to a poor lawn in the summer when you need it most. Treat with iron sulphate based fertilisers or spray with a liquid iron.

### Don't slip on your patio/path (Moss/Algae)

Patios can become slippery during the damp winter days. We now have a new product to remove the slime which causes the slipperiness. To really spruce up your patio why not have it pressure washed once it has been treated? It will be like having a new patio. Ask for details.

### Actions required in February

- If lawn needs cutting do as required on higher setting
- Treat moss in lawns

## A PENETRATING COLD WINTER IN THE GARDEN

For many gardens, particularly in the southeast, this cold winter has been a welcome return to normal seasonal patterns. Plant insect pests may have taken a significant kill. Plant growth has been held back and few bulbs are peeping through as I write in mid-January. The penetrating ground frosts have slowed down metabolism, particularly of raffinose (a special plant sugar); the metabolism is controlled by a special gene called a cold-responsive gene in the cells of frost hardy plants. The down side is that your non-frost-hardy plants are likely to have died. But let’s cheer up, there is still time for pruning before the sap begins to rise. As soon as the hard ground softens, it will be time to fork lightly over the ground, remove annual weeds and add compost to lock in moisture and improve the quality of the soil. As you do so, avoid damaging bulb shoots.

### At a loss for ideas?

Now is a good time to think about gardening objectives for the New Year. Are you going to be conservative and leave things more or less as they are, or will you experiment with something new? My project will be to get rid of an old patio that has started to break up and lose its charm. This is a good opportunity to revamp that part of the garden so I am toying with lots of ideas but nothing has started to crystallize yet. I hope to be inspired by the RHS London Plant and Design Show (16 – 17 February 2010, RHS Horticultural Halls, Greycourt Street and Vincent Square, London SW1). It is a small, rather cosy show without having to trail around lots of stands. I always find this winter show inspirational for both modern and traditional ideas. Patios often look like a boundary between the house and garden; a sort of no-man’s land that becomes a dump for plants in pots. What I aspire to is to design a patio that is a feature in itself, whilst at the same time integrating it with the rest of the garden.

### Lifting ideas

The RHS show provides ideas for a winter garden. Most of the stands are about 5 x 5 metres and therefore good for small areas of garden. I would like to transfer some of the crocus layouts that I saw there last year to a patch of ground under some trees in our back garden. There is also the chance to buy unusual plants as well as to see what, for example, Buckingham Palace has submitted for exhibition.
