## A MESSAGE FROM THE EDITOR

I have received an offer of help with your magazine. Terry, our treasurer, has taken over, not only the selection of the advertisements, but also the setting of them. This is a great help because I often spend many hours in fine tuning them. To have that ready and done is massively time saving.

May I remind you in advance that we no longer have a combined Dec/Jan issue of Contact. There will be a December issue and a January/February one. So please think ahead and plan what you want included in these issues. At long last the Contact team is planning to get together and put faces to the emails and 'phone calls. You may be surprised to know that the team is 30+ in strength and all willing volunteers. Without them no Contact would drop through your door each month.

# PARISH COUNCIL REPORT

from the Clerk

The Parish Council met on 10<sup>th</sup> October 2013

## ***Comberton Parish Council's October meeting to be filmed***

A Japanese film company attended the meeting to film for a production of educational material for the Open University of Japan

## ***Election of Vice-Chairman***

Cllr Hywel Griffiths was elected.

## ***Vacancies on the Council***

The Parish Council has been told that it may now co-opt to fill the two vacancies

You should consider standing for election and becoming a Parish Councillor if:

You Want To Do More for Your Community

You Want To Spend Your Time Productively

You Want to be Involved in Setting the Budget

You Can Think, Listen and Act Locally

Effort required:

TIME - As with most things, the more you put in, the more you (and your community) will get out.

The Council employs a Clerk to support the Council in its work both at meetings and also between meetings.

Comberton Parish Council meets each month on the second Wednesday of the month at 7.30pm in the Village Hall.

All members are encouraged to take on an area of responsibility to help share the workload and to ensure that the Council maximises its efficiency. The Council has one committee (Planning) and several working groups which offer members a chance to use their skills and knowledge for maximum benefit or to review a matter in more depth before a decision is reached. Sometimes these Committees or Working Groups will meet in between the meetings of the full Parish Council.

COST - Being a Councillor should cost you little. There is usually cover for subsistence and travel allowances if your duties take you out of your local Council's area. These allowances will be within a maximum laid down by the Government. If you are interested in joining the Council or in its work please contact the Clerk.

## ***Flower beds at the Crossroads***

The contract for maintenance of the flower beds has been extended as the beds are looking really nice and well tended.

Paths for Communities proposed cycle route

A Coton resident attended the meeting and urged the Parish Council to support an application for funding under the Paths for Communities scheme for a proposed cycle route from Comberton to Coton. The Parish Council was keen to see if the old Whitwell Way could be re-opened and it offered its

## COMBERTON COMMUNITY ADVENT CALENDAR

Advent is the time in the Christian year for preparing for Christmas and the celebration of Jesus's birth. Advent calendars can be helpful in this process, plus an enjoyable way to mark down the days of December leading up to Christmas Day.

St Mary's Church is working with a group of local artists to produce the first ever **Comberton Advent Calendar**. Different artists in the area are taking one day in December to produce a piece of artwork related to Advent. These will be gathered at St Mary's and each one will be revealed on the appropriate day, with the calendar growing with each new unveiling. The church will be open during daylight hours so that the calendar can be viewed each morning that a new window is opened.

Daily photographs will also be added to my Facebook page, which you will be able to view if you contact me on Facebook via Lordsbridge Curate.

I hope the **Comberton Advent Calendar** will be a great way to brighten up December and to help guide us through Advent to Christmas, so do join in!

## NEWS FROM THE MERIDIAN PRIMARY SCHOOL

Opportunity - Creativity - Challenge  
Excellence for All

I mentioned last month that we were having a Dahlicious Dress-up Day and I thought I must tell you how it went. The background to the event is as follows: Roald Dahl's widow set up a charity in 1991 (shortly after his death) which is now known as the Marvellous Children's Charity. It raises money for specialist nurses, care and equipment for children with rare neurological and blood conditions. Each year on 28 September schools are invited to hold a Dahlicious Dress-up Day in support of the charity. As two of our classes are currently learning about Roald Dahl and his books as their curriculum theme, this seemed a great event to become involved in.

Children are invited to dress up as their favourite Roald Dahl character and donate £1 each to the charity. We gave parents plenty of notice, as we know that it is usually they who do all the work! If children were not too keen on the dressing-up idea, they were asked to wear 'yummy yellow' (Roald Dahl's favourite colour) instead. Staff decided that they too would like to be involved so we were excited to see exactly which characters would turn up at school on that Friday!

The response was overwhelming. The school was full of Oompa-Loompas, Big Friendly Giants, Fantastic Mr Foxes, Willy Wonkas and many other easily recognisable characters. In fact we had two Willy Wonkas just on the staff! We had a wonderful assembly with a big parade as each class went up in turn to show off their costumes. There were two small prizes, one for the best home-made costume among the younger children, and one for the older children. I gave my Senior Staff the unenviable task of choosing – and I'm not sure they've forgiven me yet, because it was such a difficult job. We had a great day and, even more importantly, we raised in excess of £150 for Roald Dahl's charity.

On the same day we were very fortunate to be presented with 12 baby evergreen trees. One of our parents works for a timber company which is part of a scheme to plant dozens of trees in schools across the country. He came in to talk to our oldest children about trees, forestry and the environment and then, with the help of a couple of Oompa-Loompas and other Dahl characters, planted the trees in the far corner of the school field. It would be lovely if they are still there long after the rest of us are gone.

Oh, in case you are wondering, yes, I did dress up. Who else could I be but...Miss Trunchbull?

## COMBERTON AND CAMBOURNE VILLAGE COLLEGES:

A note from the executive principal

Looking back over a long period of time, what memories are the strongest? What events have had a real impact on our lives? We all have our various answers to these questions, some unique and some significantly in common. Throughout a career in teaching that now spans beyond a quarter of a century, I am confident to be able to say that one memory that will last and last strongly and positively will have come from events at the beginning of this term. After a very great deal of organisation, we were able to take nearly 700 students to watch the Paralympics Athletics in the Olympic Park. The sun shone, but it was the occasion that really lit up the three days on which the visits took place. The performances of the athletes were both inspiring and almost defied belief. To perform at such incredibly high levels while having to overcome significant physical or mental challenges to do so was truly something to behold. We were, and will remain, inspired. More recently, former Comberton student, Harriet Lee, visited us with her bronze Paralympic medal. She achieved this in one of the final swimming events at the Paralympics and was happy to share her experience with staff and students alike. She spoke at length to all of our Year 11 students about this and her reflections on her education and life from the perspective of a Paralympian medallist. Again, it was uplifting and inspiring and is sure to have a lasting impact on students at the school.

All this is a powerful reminder that true and lasting education needs to go outside of the classroom. Excellence in the classroom is the bedrock of the education that we provide. However, it must be more than that. Positive experiences outside of the classroom can have a remarkable impact on young people that can truly lead to their lives developing in ways that no national curriculum could prescribe. The Olympics and the Paralympics are perhaps some of the very best examples of this that might exist. I am pleased to report that our recent joint Open Evening for Cambourne and Comberton Village Colleges went extremely well. Over 1000 visitors came to hear about both of the schools and how to secure a place at one of them. Feedback was incredibly positive and we are greatly looking forward to working with our new cohorts of pupils that will enter the two Village Colleges in September 2013.

## SOME THINGS DO NOT MIX

We have passed through the season of mellow fruitfulness and have arrived at that moment again when we engage in the happy task of setting fire to things and, if possible, people, an effigy of Guy Fawkes.

The Wikipedia entry for Guy Fawkes Night reminds us that it “originates from the Gunpowder Plot of 1605, a failed conspiracy by a group of provincial English Catholics to assassinate the Protestant King James I of England and replace him with a Catholic head of state. In the immediate aftermath of the arrest of Guy Fawkes, caught guarding a cache of explosives placed beneath the House of Lords, James’s Council allowed the public to celebrate the king’s survival with bonfires, so long as they were ‘without any danger or disorder’, making 1605 the first year the plot’s failure was celebrated.”

Not a few ditties have been composed to celebrate this, such as this masterpiece, recorded in 1742:

“Don’t you Remember, The Fifth of November,

’Twas Gunpowder Treason Day, I let off my gun,

And made ‘em all run. And Stole all their Bonfire away. “

In our day, Bonfire Night should serve as a reminder that religion should never, ever, be used as a reason for violence. While what we believe and why may lead us to formulate political viewpoints and rightly inspire us to promote the formulation of just and better laws, it is not a justification for doing harm to others – such a position must be a betrayal of any religion

worthy of the name.

Around the world today, members of religious minorities (mostly Christian) are physically attacked and denied fair treatment under the law in at least a quarter of the world's countries. If lighting fires and setting off fireworks on the 5<sup>th</sup> of November became a reminder to all that the world that justice comes not through violence but through the diligent application of just laws, then that would be fine thing.

Have a safe Guy Fawkes Night, and God bless you,

Graham

## COMBERTON WI

Our speaker at our October meeting was a return visit from local beekeeper Stephen Poyser. We had previously learnt about the inspiring business of bees forming hives and collecting nectar. This talk focused on the production of honey and associated by-products. The skill of the beekeeper is key to the success but weather conditions play their part. This year's poor weather means that queen bees had died and their hives had dwindled. Once the bees have collected their nectar it has to be converted to homey. It is collected in the bee's first stomach, then regurgitated and passed back and forth amongst the bees to reduce the moisture to the required 20%. Once it reaches this stage, the bees seal it in wax and it will last for ever in this state. The beekeeper carefully extracts the honey, leaving some to feed the bees over the winter. After being filtered, it can be stored in jars. To sell commercially the labelling has to give a 'best before date' which is a nonsense with honey. After the talk, members were able to buy some of Stephen's honey and candles, beeswax cream and polish.

The Friendship Club met on Thursday 11<sup>th</sup> October. It was our AGM coupled with a raffle and a bring and buy stall. All of the committee members were re-elected for another year. Unfortunately our treasurer Jenny Brown is retiring her post but is staying on as a committee member (Well done Jenny for the years you have handled the cash and kept the books in good order). A new treasurer has been elected – Sally Maynard. We all wish her the best and a big thank you for stepping in. The raffle and bring and buy sale raised £75. The money will go towards the Christmas Lunch subsidy. The Friendship Club Coffee Morning held in the Village Hall on Saturday 6<sup>th</sup> October raised £350

## RUTH IANTHE CHAPMAN

It is with great sadness that I report the death of my wife and soulmate.

We have lived in Comberton for 53 years and in that time my wife was involved with many village activities. Her main involvement was with the original Cambridge Cancer Research Campaign (now Cancer Research UK). Her next love was the allotment and garden association, being at various times committee member and winner at the flower show. Ruth was an allotment holder at the church and tended the church garden for many years. The village help scheme and Herringland Charity were appreciative of her support quietly in the background.

What may not be generally known is Ruth was on the founding committee of the Milton Children's Hospice and I well remember taking her to a bleak looking building (the original house) on a foggy and frosty night for meetings in Milton.

Ruth suffered much illness in the last few years but rarely complained, and always mentioned the returning soldiers being injured or killed in the prime of life as being far worse. Ward EAU 4 at Addenbrooke's was exemplary throughout. To all who have sent so many cards of comfort – I thank you so much.

### THE HERRINGLAND CHARITY

To celebrate the Queen's Jubilee Year, the Trustees of The Herringland Charity decided to purchase a wooden bench, as a lasting memorial. This has now been installed on the corner of Harbour Avenue and Barton Road, and has been formally handed over to the Parish Council.

The exact origins of the Charity are obscure, but it is thought to date from the early 18<sup>th</sup> century, when a field on the east side of The Drift was left to the village by a benefactor. Income from the rent from this land was for the purchase of a barrel of herrings from Lowestoft to be distributed to the 'settled poor of the parish' in Lent. This is commemorated by the village sign by the pond. These days, the objects of the charity are much wider!! The photograph shows the formal handover to Amanda Bacon, Chairman of the Parish Council.

**DO YOUR BIT TO BRING BETTER BROADBAND FOR ALL**  
Have you registered for the Connecting Cambridgeshire campaign to bring better broadband access for everyone across the county? Time is running out and we need as many people as possible to register before December 2012, when a supplier will be selected and planning for the big broadband rollout begins. It only takes a minute to go online at [www.connectingcambridgeshire.co.uk](http://www.connectingcambridgeshire.co.uk) or fill in a Freepost reply form in the leaflet at your local library or council offices. All we need is your postcode and a landline phone number, and whether you are a home or business user – and we will only use this information for the campaign. The more registrations we get, the more likely we are to get the investment needed to install better broadband connections for all (2 Mbps minimum) with superfast speeds (25mbps minimum) for at least 90% of premises by 2015. Latest figures show that over 18,000 homes and businesses across Cambridgeshire and Peterborough have already registered their demand for better broadband making our campaign one of the fastest growing in the country.

Much of the support is being generated through the fantastic efforts of more than 80 Broadband Champions, who are busy promoting the campaign locally through leaflets, posters, events, and community websites. Many parish councils and local councillors are also backing the campaign because good broadband connections are vital for our businesses and communities to thrive, particularly in rural areas, with benefits for health and education too. So, why not do your bit so that more people can benefit from better broadband?

To find out more, visit [www.connectingcambridgeshire.co.uk](http://www.connectingcambridgeshire.co.uk), email [contact@connectingcambridgeshire.co.uk](mailto:contact@connectingcambridgeshire.co.uk) or call 0345 045 5200

## ***Attempt burglars sentenced***

TWO MEN who tried to break into a shop wearing balaclavas have been sentenced. James Sexton, 34 and Mark Haldon, 23 were chased by a member of the public after he saw them trying to break into the Co-op in Cottenham in the early hours of Wednesday, June 20. Sexton, of Walton Avenue, Blyth, and Haldon, of Maple Street, Ashington, Northumberland, had thrown a paving slab at the window of the shop but it did not break. They then tried to force

the window open with a spade before being chased off by the man who had witnessed it. Officers arrived and searched the area. A police dog tracked Sexton to New Street where he was found hiding in a back garden. A set of car keys were found on Sexton and the vehicle nearby. Inside were ID documents relating to Haldon who was later found in the area of the attempted burglary and arrested.

At Cambridge Crown Court on Friday (September 28) Sexton who pleaded guilty to attempted burglary in June was jailed for 14 months while Haldon who pleaded guilty to attempted burglary in August received 10 months imprisonment suspended for 18 months and 150 hours unpaid work.

The member of the public received a Judge's commendation and a £250 reward. Detective Constable Jennie Scott said: "These men tried to break into the shop but failed thanks to the quick-witted member of public who chased them away and called us. "Thanks to the good search by officers at the scene and the CCTV from the shop we were able to catch them quickly and bring them to justice."

Note to editors:

A picture of Sexton is available via the force website.

The man who chased them away is not willing to speak to the media.

### ***Burglar disturbed during break-in***

POLICE are appealing for information after a burglar was disturbed during a break-in in Bassingbourn. The homeowner came downstairs to find the offender in the living room at about 7am on Friday (October 12).

The burglar dropped a computer screen and ran off down the garden and out the gate. Nothing was missing from the home. The offender was described as white, in his teens, small build and was wearing a blue hooded top, a dark cap and black gloves.

Constable Andy Bates, investigating, said: "This burglary happened first thing in the morning and the offender is likely to have been seen as he made off.

"I would urge anyone who recognises the description to call police."

Anyone with any information should call DC Bates on 101 or Crimestoppers, anonymously, on 0800 555 111.
