From the Editor

I'm sure everyone is looking forward to the long weekend of the Queen's Platinum Jubilee, there is plenty going on in Comberton to enjoy (see the magazine covers and page 13 for the Comberton Celebration Festival programme).

Thank you to Jane Hughes who sent me some photographs from the 1977 Queen's Silver Jubilee celebrations in Comberton - I wonder if anyone remembers being there, or even appears in one of the photographs?

Once again I am a bit short of material for the magazine this month - please consider sending something in that you think might be of interest to other readers, maybe you've completed a garden project, or have an unusual hobby that might appeal to others.

Meridian Primary School

Learning for life – striving for excellence

Greetings Neighbours,

Our Year 5 children had a wonderful time at Hilltop Residential Centre in Norfolk at the end of April – this was a great week of outdoor education and activities which has been always been a highlight for our children.

Our first few Meridian Music Makers' orchestra sessions have been a great success and all the children are doing really well.

Our EYFS class had a fantastic and interesting visit from our local community police officers. They explained to the children a bit about what they do and also showed them the special gadgets on their uniform and car.

Our EYFS class have achieved the RHS School Gardening Level 1 award and are currently working towards Level 2.

Our Y1 and Y2 children went along to Watts wood and had a great time exploring the woods.

In sports news, our Y6 netball teams played in the top division finals of the South Cambridgeshire Schools Netball Competition. They played brilliantly as a team and showed great skill and determination. In addition, we have teamed up with Comberton Squash Club and Y4 children are benefiting from some taster squash lessons.

We will be celebrating the Queen's Platinum Jubilee in school at the end of May with a whole school picnic on the field and we look forward to the delicious scones our Y5 and Y6 children will be cooking for the school. Classes have also been working on three large portraits of the Queen to display around the school.

We are extremely proud of our Y6 children after their week of SATs (national testing). The children showed resilience and determination and we had 100% attendance for the week! Our Y6 enjoyed a fun Friday at the end of the week with a spot of bowling.

Kind regards,

Mrs C. Etchie

The Comberton Village Transport Help Scheme

The Comberton Village Transport Help Scheme was started about 40 years ago and therefore many of our original drivers are no longer available.

Because of this, and many of our drivers not wishing to drive during Covid, we are desperately short of drivers. Drivers are reimbursed for their petrol and are not asked to wait for passengers for long appointments such as Addenbrookes.

This is an incredibly valuable scheme and many people benefit from it. Even to get to Comberton Surgery can be too far to walk if you are even slightly infirm. As an example in the month of April the Scheme provided lifts for 36 people consisting mainly of Out-Patient appointments and visits to Comberton and Bourn surgeries.

Now we are coming out of Covid, and the requests for lifts are rapidly increasing, we are pleading for more drivers as without more it is likely this valuable scheme may be unable to continue.

If you think you may be able to help or would like more details, without any obligation, please contact either

Comberton WI

Since we last updated you we have been as busy as ever and really enjoying being able to meet together.

We had a fascinating talk on British sign language. Our speaker was interesting, informative and entertaining. A number of members are thinking of following this up and learning to sign more. We also had a thought provoking talk on memory strategies and phobias.

Members were involved in collecting clothing and items for personal hygiene to send to Ukraine and also in arranging and running a stall for the Easter Fair.

We enjoyed a WI Group meeting at Hardwick, the speaker was Ian Cummings of Bake Off fame. He was really excellent and gave us an insight into all the effort that goes into each weeks offering. The refreshments were super and Ian had brought along a cake large for all to share - quite scrumptious.

Some members attended the Cambridge Federation annual meeting where the speaker was a volunteer from Hampton Court who told us about her work and how she had made her own very elaborate 18th century dress to wear whilst taking visitors round.

May is the month when we discuss the Resolution which is to go forward to the national meeting in June. This year it concerns the problem that women and girls have in getting an accurate diagnoses for Autism or ADHD. We hope to enliven our discussion with a little prosecco and refreshments. Food is always important on these occasions. In June we have a talk on the history of Mill Road cemetery, which should prove interesting.

Also at present we are making plans to have a stall on the Saturday of the Jubilee Celebrations and look forward to seeing some of you there.

Anthony Browne, MP

Now the weather is improving, I am looking forward to getting out and about in the villages of South Cambridgeshire more. This will be my first summer as MP without Covid restrictions.

I expect you are all looking forward to the Platinum Jubilee and I know there are detailed plans for the Comberton Celebration Festival. Whilst I won't be able to attend myself, I certainly look forward to seeing pictures of the events.

The Platinum Jubilee in June is a tremendous reminder of Her Majesty's tireless service. The Queen is an inspiration for all of us in public service. Events like this serve as an opportunity to reflect upon the last seventy years. The Queen has served through a tumultuous period of history. She has served as a constant in a time of rapid change. This has certainly been the case in South Cambridgeshire.

Even in the Queen's long reign, the last three years have been unprecedented. First with the Covid pandemic and then with Russian invasion of Ukraine.

Since 1952, South Cambridgeshire has transformed into one of the foremost areas for life science in Europe. That means that when Covid struck, South Cambridgeshire was invaluable in the fight against Covid.

Furthermore, since February the people of South Cambridgeshire have been unfailingly generous to refugees fleeing Ukraine. From the beginning of the crisis, I have reiterated to the Prime Minister and to colleagues in Government that, as a nation, we must do our utmost to help the people of Ukraine. The people of South Cambridgeshire have certainly done that.

The Department for Levelling Up, Housing and Communities' statistics show that 435 visas have been issued for Homes for Ukraine. This is the seventh highest figure for any area in England and the areas that have been issued more are far more heavily populated. I know that this has not been a straightforward process and I would encourage anyone facing difficulties with this scheme to get in contact with my office.

A handwritten signature in black ink that reads "Anthony Browne". The signature is written in a cursive style with a long, sweeping underline that extends to the right.
