From the Editor

We have had plenty of gloomy and cold days over the last few weeks, but today I saw snowdrops appearing in our garden and felt a few rays of sunshine which were most welcome. The days are definitely starting to get a bit longer, and whilst winter is not over yet, spring is coming.

If you enjoy being outside and eating your own produce why not consider a small allotment? There are three half plots available in South Street, see page 11 for details.

This month I have included an update from our local MP, Pippa Heylings - I note that she is arranging meetings between the Rail Minister and affected Parish Councils.

An update from your local MP, Pippa Heylings

Some of you may have seen footage of me from parliament with a bandage on my hand – and that is because I took an unfortunate fall while out walking in the countryside during the holidays and broke my finger. Thank you for all the concerned comments and well wishes and rest assured this has not stopped me from getting stuck in now that we are back and already into February.

2026 promises to be a big year for our area with changes to the Integrated Health Board (the way our NHS services are organised) and local government reorganisation on the horizon. The local elections in May this year will be the last ever set of local elections for South Cambridgeshire District Council and are important as they will decide the political makeup of the new unitary authority.

Eight years ago, South Cambridgeshire District Council was on the brink of being declared a failing authority – now it is one of the best run councils in the country. The council is investing in the things that people often tell me matter most to them - like tackling the cost of living, supporting our healthcare services, building affordable homes for local people, and protecting our green spaces & environment.

Finally, I secured the meeting I had been requesting for months with the Rail Minister, Lord Hendy, on East West Rail. Even though it did not take place in South Cambridgeshire as I had originally requested, it was a worthwhile meeting and I put residents' concerns directly to him. The good news coming from this meeting is that Lord Hendy agreed that it made absolute sense for him to meet directly with the parish councils affected by EWR and we are now arranging for this to happen.

Alongside your local Lib Dem councillors, I have continued to campaign for more engagement from East West Rail and attended multiple meetings with them and with the parish councils affected, the latest of which was held at Haslingfield Village Hall. I committed to finding a way for them to meet with the rail minister so that they could ask questions directly on the Government's position on the southern route; the business case for the project; and the plans for freight on the line and I am pleased that at the time of writing, this looks to be happening soon.

These are just a few of the things I've been working on over the last few months that I wanted to share with you. If you would like to keep up to date with my work, you can register for my e-newsletter, available at www.pippaheytings.org.uk/newsletter.

Parish Council Tax (Precept) 26/27

The Parish Council Tax, also known as the precept, is the small portion of your council tax that helps fund local services and projects within the village. This includes things like maintaining community spaces, supporting local initiatives, running community events and meeting the everyday running costs of the Parish Council.

For the coming year, the precept will increase by 5%. For a band D household, this equates to an increase of £3.88 per year. This will help ensure the Parish Council can continue to support the village and meet rising costs.

Comberton WI

The advertised speaker for January was unable to come. However we were lucky to get another speaker at short notice.

Our speaker was Diane Manian, who for many years has joined the annual trip with the The Raphael Pilgrimage to Lourdes in France. The groups that go are made up of Nurses, Doctors, Clergy, Youth members and volunteers who care for the sick Pilgrims.

Diane gave a very interesting talk explaining the work that is carried out during these trips and her involvement.

The next meeting will be held at 8 pm on 10th February at Comberton Village Hall.

This will be our Annual Meeting when we will be discussing the WI Resolution we have voted for (WI groups across the UK are invited to have their say). We have voted for Accessible Public Toilet Facilities to promote Dignity and Social Inclusion. Also the year ahead.

All are welcome

Comberton Village Hall

This 2025 film is the fictional story of an eccentric lottery winner living on an island, filmed on the Pembrokeshire coast. He invites his favourite band to visit and perform for him. Reviews highly recommend this film as charming, heartwarming, romantic and humorous, with some good songs and beautiful scenery.

It sounds good for dull February!

Comberton Village Hall has a new website!

Users of the Village Hall website will have noticed a change recently. The website is now secure and has many new features. The previous booking system, having evolved from paper-based procedures, had become rather cumbersome as number of bookings increased and the trustees decided it was time to take advantage of specially designed software that is already used successfully by many other village halls. Our address remains the same: www.combertonvillagehall.org.

On going to the new website for the first time, you will be able to view current availability by clicking on the **Calendar**.

To **make a booking**, navigate to the blue button **"Booking Request"** at the top right of the home screen. You will be asked to complete your contact details as part of the booking process, but with your login details, you will be able to subsequently view and make amendments to your booking or make new bookings. Some regular users have already been registered.

You can register as an individual and as an organisation's representative (e.g. secretary), which can be useful when booking a series of society events.

If you wish, payment can be made securely with a credit or debit card via the website. We hope you will enjoy the benefits of this streamlined process, which include emailed acknowledgements and booking confirmations and faster deposit returns. Do explore what the website has to offer; there is help on-line in the form of a user instruction guide and a YouTube video.

We're keen to make life as easy as possible for hirers and therefore it's possible to continue booking and paying in the way that you're used to. Janice, our wonderful Administrator, can be contacted at combertonvillagehall@gmail.com or 07435 324408 and will, as always, help with any problems. Trustees are also very happy to receive comments about the new system - contact details are displayed in the Village Hall.

Migration to the new website is largely due the efforts of Neil Banks and Janice, to whom we are very grateful.

Finally, thank you to those who have recently expressed interest in becoming trustees. Such enquiries are always welcome, as we very much want the Village Hall to be run by representatives of all parts of the community. If you think you might like to be part of our activities, either as a trustee or more informally, please get in touch with me or any other trustee.

FOSM Chronicles Part 1; 2014 -2017

This year, 2026, marks 10 years since the founding of the Friends of St Mary's Church Comberton (FOSM). In 2016, during his last month as Team Rector, Revd. Mike Booker turned to a group of friends for help in a crisis. St Mary's faced not one, but two massive bills. At a meeting that September we agreed to form a charitable trust.

The lesser bill, to be paid directly, was for the north aisle roof repair. Thieves had stripped roof lead on the night of 29th April 2016. Insurance cover required that security was upgraded. Roof re-leading was completed on 1st July 2016. Unbelievably, the thieves returned to steal more lead on the 15th July 2016 – only 2 weeks later! Photo from July 2016 - plastic cladding again.

The Parochial Church Council (PCC) faced combined costs of a second re-roofing and a new security system, fitted on 31st August 2016. Repeat re-roofing took place in early October. The total of £27,000 was diminished by a VAT rebate. Cambridgeshire Historic Church Trust gave a modest grant and made a larger loan, to be repaid over 4 years. This loan repayment became the first fundraising target for the Friends.

The larger bill would arise when the 2014 Quinquennial Inspection repairs were made. The church was reported to be 'in poor condition'. The Architect's estimate to put this right - in excess of £50,000.

In October 2017, Architect and PCC re-examined Q I 2014. A specification for Urgent Only repairs resulted in an estimate of £35,000. We used this figure in our FOSM Fundraising campaign of 2018 onward until our second fundraising Target was achieved. This work began in 2018.

In March 2017 we transferred more than £3,000 to the PCC. In May the Bedford Gallery Quire gave a concert in Church and in June we held an Inaugural gathering in St Mary's Church, featuring guided tours. Later in the year we staged two more musical concerts.

By the end of 2017 the Friends had received 3 grants with a total of £5,500 and held over £10,000 in the bank. We are so grateful for the generosity of our supporters.

David Hughes, Chair of the Friends of St Mary's
