# Out and About / Eddington

In 2010 The University of Cambridge started to build a new community. The project was named Eddington, after the Cambridge Astronomer Sir Arthur Eddington whose work helped to prove the theory of general relativity.

There are some very interesting works of art to admire. A two storey tower was created by the artists *Wolfgang Winter* and *Berthold Hörbelt*. It is called Fata Morgana Teahouse. The name is derived from a type of mirage called a Fata Morgana, where objects on the distant horizon may appear above the horizon (for example, boats may appear to hover in the air) or may appear stretched out (for example, mountains may appear columnar and elongated).

It is made of steel mesh. You can climb the stairs and have a great view of the pond where you can see the swans and other wildlife.

The other piece of art of work is the Pixel Wall; this is a 15 metre curved screen made of polished steel squares, an amazing piece of art.

As you walk around Eddington you will also come across the veteran oak tree which is believed to be over 400 years old.

## Friends of St Mary's take a look at history: Beating the Bounds

How well do you know Comberton village? Perhaps you have never been up the hill to check out the village church. Until the 20th century, village people knew it well. They went to church and big trouble if they did not!

They would also gather once a year on a particular Sunday in May to walk the boundary of the Parish. Why would they do that?

Long before Robert Peel proposed in Parliament that there should be a Police Force in London, each parish in the land was responsible for its own law-keeping, its own people. Long before 'county lines', it was vital that all residents knew the boundaries of their own parish. How would they learn this? What better way than to have all the school-age children walk the boundary of their own parish every year.

Back then, when the Squire wanted to flush out some game birds for a 'shoot', his game-keeper would gather some 'beaters'. Local people were organised to walk line-abreast across the fields to flush out pheasants and partridges. Their reward, apart from walking on private land, was a snack. Hungry times!

So, on Rogation Sunday each year the villagers, and especially school children, were gathered for what came to be known as 'Beating the Bounds'!

Knowing the Parish Boundaries was combined with another important purpose. The Vicar would ask for the Lord's blessing on the growth of the year's crops, in the hope that the harvest would be bountiful.

Rogation Sunday this year is Sunday May 10th. For the third year, the Friends are organising an afternoon 'Beating the Bounds'. In 2022 we produced some great guide booklets, thanks especially to Paul Hardy and Brian McCabe. You can choose a shorter or a longer walk and return to St Mary's for tea and biscuits. Why not come and join us? Better still, make it a family outing! Details will follow in the May edition of Contact with excerpts of the guide books to get you excited!

As conscription looms, the community discovers that making music together is the one thing that can hold them steady through the chaos of war

### Bands in the Park

Comberton Parish Council is delighted to announce Comberton Bands in the Park on Saturday 11th July.

Join us on the rec for live music (5–6 bands), food vans, and a pub tent. It promises to be a fun, music-focused event - simpler than last year's festival, with no stalls.

More details will follow, but for now save the date! If your band would like to audition for the line-up, contact Dan Edwards ([Dan.edwards@comberton-pc.gov.uk](mailto:Dan.edwards@comberton-pc.gov.uk))

### Covid-19 National Day of Commemoration 2026

To honour the thousands of volunteers who supported vulnerable people during the pandemic - and to remember those who sadly lost their lives - South Cambridgeshire District Council donated a tree and plaque to each parish, including Comberton. This will be installed on the grassed area at the corner of Harbour Avenue and Barton Road, near the village map.

### Greenways Business Plan

Detailed maps for the Comberton Greenway - an off-road cycle path along Long Road linking Coton and Hardwick - have been published on the Greater Cambridge Partnership website.

Comberton Parish Council reviewed the plans and residents' comments, and agreed to support the project provided certain points are addressed, such as ensuring cars cannot access the path.

# Comberton Community Swimming Club

## A pool for and run by members

Comberton Community Swimming Club has been giving residents of nearby villages the opportunity to swim in a safe, friendly and cost-effective setting since 1984. Not much can beat a dip in the pool on a hot summer's day, an evening swim to relax and unwind or a few lengths to contribute towards those fitness goals. The club operates swimming sessions six times per week (eight times during school summer holidays) from May to September at the heated outdoor pool at Comberton Village College.

Membership is for the year, for a family or an individual. Members are expected to 'do their bit' to keep the club running for everyone. There are 2 types of duties that members can take on. Administrators control pool entrance and do general support tasks during opening hours. There are two grades of safety officer, first and second, on the pool side to ensure the safety and good behaviour of swimmers and spectators. Members who choose to contribute as a safety officer will receive appropriate in-house training. First safety officers will also receive RLSS life support training and will need to successfully complete an exam every 2 years.

The core of the club membership are veterans of many years but the club is always open for new joiners. If you or other family members would like to participate,

Sign up at <https://comberton-pool.org.uk/>

Mail [contact@comberton-pool.org.uk](mailto:contact@comberton-pool.org.uk) with any questions

We hope to see you at the pool this year!
