A MESSAGE FROM THE EDITOR

Is it really Christmas time again? Yes it is, and I hope that you all have a happy Christmas and New Year. Being a double issue and having so much going on in Comberton during the Christmas season, this issue is a little larger than usual. So enjoy! I really do hope that the weather in East Anglia is not typical of the rest of the country and that we have bright sunny days to enjoy over the holiday, even if cold.

Please do go on using the small ad website for clearing out your unwanted clutter and seizing a bargain.

Comberton Table Tennis Club

The Tuesday morning recreational table tennis group at the village hall has transformed itself into a club. The club continues to meet every Tuesday morning at the village hall. At present the core time is 10am to 12 noon but these hours can be extended to accommodate increased numbers and/or varying levels of ability. As soon as funds permit, we will purchase a second table. Our fees are a modest £3 per session and potential new members are welcome to come and try a free taster session. All equipment is provided.

Co-ordinator: Brian Burton, 01223 264072.

PARISH COUNCIL REPORT FROM THE CLERK

The Parish Council met on Wednesday 10 November 2010

Parking problems associated with CVC – B1046 road including junction with Kentings

The Parish Council will consider at its next meeting the report on the site meeting with representatives from the Parish Council, the County Council, Bennell Farm, Toft Parish Council to discuss the proposals for yellow lines along West Street outside the Village College.

Recreation Ground Day to Day Management

At its last meeting the Parish Council approved an inclusive fee for the use of its facilities (pitch and pavilion) by the Sports Clubs. All Sports Clubs which currently use the facilities have been consulted on their views for the short and long term management of the recreation ground. These together with the results from the Parish Plan questionnaire which all residents have recently received and hopefully by now completed will help the Parish Council progress its plans for the long term management of the facilities on the recreation ground.

In the short term the Parish Council is putting in hand a thorough cleaning of the pavilion and in Spring it will arrange the deep steam cleaning of the facilities to supplement the cleaning already undertaken by the Cleaner. It is also considered at this meeting a quotation to draw up a detailed report for the pitch and drainage requirements for the land extension in a move to turn this land in to a more useable area in line with the requirements of the planning permission. This report should provide the Parish Council with what it needs to seek quotations for the required works and to progress applications towards the funding that will be needed.

Andy Marsh has been appointed as the Parish Council's Recreation Ground Manager on a short term contract following the resignation of Roger Abraham. The Parish Council is very grateful to Mr Abraham for all his hard work and efforts in the past. Mr Marsh should be contacted for any day to day management matters on 07773034336. I will inform you again if this changes.

Residents requests to use, lease or purchase Parish Council land in the Janes Estate

Two requests from residents one for permission to plant a hedge adjacent to his home to allow both an access from the front to the back of his premises and to protect his side wall from damage by ball games and the other to allow off road parking. Having had an opportunity to visit both areas and also taking into account legal advice received in the past the Parish Council refused both requests as the open space in the valley is for the benefit of all residents and to allow one resident exclusive use is contrary to the lands' designation.

Grass cutting and village maintenance contract 2011-2013

Notice is given that the Parish Council is inviting tenders for the above. Anyone interested in tendering for the work must carry a minimum level of insurance cover and appropriate licenses and have the correct equipment for the work.

NHS Pharmaceutical Services Consultation

The purpose of the consultation was to gather the views of stakeholders on our assessment of the county's pharmaceutical services. Comberton Parish Council responded that the village is very well provided for by the pharmacy at the village surgery.

NHS notification of application for pharmacy in Hardwick

Two months ago I reported that responses from the Surgery and others who have response to the consultation were considered and the Parish Council will be writing to object strongly to the proposals. The Parish Council has now heard that the application by PSL Locums Ltd for inclusion in the NHS Cambridgeshire Pharmaceutical list in the vicinity of Hardwick has been turned down. "The Committee discussed the application in full and noted the representations from the interested parties and concluded that the application was speculative and that a pharmacy within Hardwick was neither necessary nor expedient". There is a right of appeal against this decision by the applicant.

Other

Parish Council vacancies

The next Parish Council elections will be held in May 2011. Information on the procedure if you are interested in standing for the Parish Council will be displayed on the parish notice board in approximately March/April. Nomination forms will be available at that time from either the Clerk or the District Council.

There is currently still a vacancy on the Parish Council so if you are interested please contact the Clerk for an application form. If filled the length of this appointment will only be until the next elections in May 2011 however the applicant could stand for re-election.

Hedging and vegetation adjacent to the highway

A plea goes out to all residents who have hedging or other vegetation adjacent to either the road or pavement. Please check that this is not overhanging and causing an obstruction either physical or visual. If it is the Parish Council would be grateful if it could be trimmed. Thank you.

Road Closures for Village Events

The County Council has written to say "In light of the spending review delivered by Central Government recently we will be facing severe cuts to our budget over the next 5 years. We are therefore looking to make as many savings as possible. Currently we pay to advertise every road closure, as is required by law. In cases where this is for a charitable or community event this is paid out of the Public Purse and at no cost to the event organiser. We intend to continue to provide this service because we feel that events are important to the community.

However, we have to reduce outgoings and can achieve this by advertising in bulk, thereby achieving economies of scale and dramatically reducing our costs.

YOU ARE WELCOME AT COMBERTON BAPTIST CHURCH

Our Minister Stephen Henderson and his wife Kate are moving on after 3 years here at CBC. We would like to thank the Henderson family for all they have brought to the church during this time, and send them our best wishes for the future.

SUNDAY SERVICES: Our morning services begin at 10.30 am - 12 noon and feature a mixture of traditional and contemporary music, engaging topics and a variety of speakers. Refreshments are served after the service. Children stay for the first part of this service and then have the opportunity to go to their teams in the *'The Lighthouse!'*

PARENTS WITH INFANTS: At CBC we want to make every one feel welcome, this includes our youngest guest. We have a crèche available during the service where parents with young babies can go if their children become restless – there is also a monitor so you can see and hear and still feeling part of the service.

CHILDREN & YOUNG PEOPLE: The Lighthouse are groups for children and young people aged 2-17 years, running alongside the main adult service. We also have Junior Church every 4th Sunday of the month, packed full of exciting themes and activities. Here @ CBC young people can make friends and explore their faith together!

New Sunday morning series beginning in January...

In the build up to Easter we are going to be looking at Jesus' journey on the way to Jerusalem. On this journey Jesus teaches and equips the disciples, preparing them for life after His death and resurrection. Join us at CBC as we discover how Jesus' teachings are just as important and relevant to us today as when they were first spoken - on the way to the cross.

NEWS FROM THE MERIDIAN PRIMARY SCHOOL

Opportunity - Creativity - Challenge
Excellence for All

Key Stage 2 ('the juniors') have been having a very exciting time of late. You may recall that we are committed to using Shakespeare to enhance our children's learning and raise aspirations as high as possible. As part of this work the whole of Key Stage 2 (138 children in all), together with lots of staff, went to the Corn Exchange to enjoy a morning performance of A Midsummer Night's Dream put on by Shakespeare4Kidz. For those of you who haven't had the good fortune to experience one of their productions, they really are a tremendous company. They take a Shakespeare play and adapt it so that it becomes accessible to young children. Whilst retaining some of the original language and all of the story, they add modern colloquial English, songs, dances, topical references (e.g. to the X Factor!) and create a truly compelling and enjoyable event. Our children (the youngest only just 7) were enthralled. Their favourite character was, without doubt, an energetic and green-painted Puck. He was naughty, lively and iconoclastic. They loved him!

Our teachers were, of course, very keen to capitalise on this enthusiasm and the rest of the week was spent in follow-up work across the whole key stage – the youngest working happily alongside the oldest. They had competitions to see which group could best interpret a scene dramatically; they designed

posters to advertise the play and created menus for the wedding feast. We now have a lovely display in the front entrance celebrating their work. For me, perhaps the most important outcome of all this is that when Shakespeare is mentioned to them in future (at secondary school perhaps) their response will not be a groan but an enthusiastic grin.

By the time you read this, we will be in the throes of Christmas preparations. The children and their families have already shown that they think of others as well as themselves at this time. We have a large pile of filled shoeboxes in the front entrance ready to be collected by Operation Christmas Child and distributed to children much less fortunate than ours across the world. We have also been selling Christmas decorations in aid of the Arthur Rank Hospice. These are in the form of very attractive tiny teddies wearing woolly hats so, as you can imagine, it's hard to keep up with the demand!

On behalf of the whole school, may I wish you all a very peaceful and happy Christmas.

COMBERTON VILLAGE COLLEGE: A NOTE FROM THE PRINCIPAL

Remembering is an important aspect of education. This is at a range of levels. Remembering to bring one's equipment to school generally helps pupils to make progress. Remembering certain key aspects of knowledge is often crucial in performing well in examinations. It would be easy to go on.

There are various techniques that can be used and can be taught to help pupils to remember and to recall. Schools will often now overtly teach some of these techniques, especially in the lead up to significant examinations and assessments. However, regardless of any particular technique, one thing really helps people to remember something. If we believe something is important and has significance, we tend to remember it. If not, it is hard to force ourselves to remember. For this reason, at the college we do not just hold a whole-school silence on 11th November at 11am. We do do that, and this year it was, as always, perfectly observed. However, we also have a week of assemblies during that week for all pupils on the theme of remembrance. During these assemblies, the importance and significance of what it is that we seek to remember on

11th November is explained. This is done by using personal, striking, often local examples of those powerfully affected by the First World War (and possibly the Second World War). Through this, we hope that our young people will not only appreciate Remembrance Day now, but will be very keen to preserve it for future generations.

Ironically, it was on 11th November that we also set aside time to remember something significant in the lives of many young people. It was the day of our Presentation Evening when we remembered and celebrated together the tremendous achievements in public examinations and assessments by last year's Year 11 students. There was an excellent turnout of both students and parents, and quite rightly so. They really did do spectacularly well (breaking every single school record) and deserved to celebrate together. nors. The various fundraising events held during October and November was supported by a cross section of the community which has helped us to raise just over £1,000. The appeal now stands at just over £14,300 @ 89% of the target. This brings us tantalisingly close to our target, with approximately £1,700 left to raise. Our forthcoming fundraising events in December for the Piano Fund include:

December 4 – An evening with Capriccio (singer, pianist, violinist and cellist). The programme will include light classical, early 20th century popular music, from around the world by composers such as Gershwin and Weill as well as instrumental arrangements of Schubert, Piazzolla and Gershwin. The second half of the programme will include some Christmas music including community carol singing. 7.30pm

December 14 – CVC Christmas concert - Pupils and staff celebrate Christmas with a range of performances from pop to jazz to classical. 7.30pm

Any donation, however big or small, will be welcomed. You might like to sponsor a particular part of the piano individually or as a group, you can sponsor, for example, large components such as the frame for £500 or the keyboard lid for £400 or choose any number of keys, hammers and strings which are valued from just £15 each. To make your selection, please visit:

<http://www.justgiving.com/CVC-Trust2>

Tickets are priced at £5 & £3 for each event. They are available from the box office at Comberton Leisure (01223 264444) or via the website www.comberton-leisure.com

COMBERTON VILLAGE COLLEGE'S ANNUAL CHRISTMAS BAZAAR

FROM chocolate to candles and books to bracelets – there's a whole range of stalls waiting for you at Comberton Village College's annual Christmas Bazaar. Entry is free to the event on December 4 (11am-2.00pm) and we will be delighted to see you there.

Come and enjoy a wide range of delicious home-made food, pick up some Christmas bargains and take the children to see Santa in his grotto.

There will also be a grand raffle and our Africa volunteers 2011 will be pedalling their way through the day on their sponsored 24-hour static bike cycle ride.

Don't miss the spectacular Winter Dance Showcase with Comberton pupils performing some of the pieces they have worked on this term during the college's thriving extra-curricular programme then get into the Christmas spirit with our annual Christmas concert which promises an entertaining mix of music and readings.

More details of all our events can be found on the college website www.combertonvc.org or the Comberton Leisure website at www.combertonleisure.com

We look forward to seeing you at the college soon.

A BIG THANK YOU

The Comberton Contact editorial team would like to say a very big thank you to Mrs Bloor and Mrs Condor, retiring long-term distributors of the magazine. This is a dedicated task undertaken in all weathers and without these volunteers and their successors your magazine could not be delivered to your door.

COMBERTON FRIENDSHIP CLUB

The November meeting held on Thursday 11th November at 2 o'clock start, from now until April to try and miss the dark evenings. Our speaker was the familiar Robin Page from Barton who always manages to cheer us up with his stories and facts. This time he was talking about English fruits from our orchards which are not sold in many supermarkets, a great loss to the customers.

Our next meeting on December 9th is the Christmas Lunch, which is for members only please. The time to arrive is 12.45 for 1 o'clock at the Village Hall.

COMBERTON WI

Members enjoyed a very pleasant 70th birthday lunch at Cambridge Regional College in October. Our speaker at the November meeting was Andy Malcolm who represents the 'Fishermen's Mission'. Andy was an excellent speaker and told us about the difficult lives modern fishermen face and gave us an idea of the true cost of fish and chips. About eighteen British fishermen die each year and a boat is lost every two weeks on average. The Fishermen's Mission helps support the fishermen and their families throughout their lives. We heard some heart-rending stories, interspersed with poignant sea shanties. Andy was very entertaining but really got his message across. Members will certainly consider the fishermen who catch their next piece of cod.

Date for the diary: December 14th – Christmas Party. Dress to dazzle!

phone, it is far harder to say 'no' to people once they are in your home.

At Cambridgeshire County Council's Trading Standards Service we frequently come across people who have been pressured into having work done or buying products having been called on out of the blue. It can relate to anything from tree felling, driveways, roofing and fascias and soffits, to mobility aids, home alarm systems and beds.

Typical high pressure sales techniques include calling through to their manager for 'the very best price', saying that that price is only available on that day, and overstaying their welcome, all used to put extra pressure on you.

We want you to avoid such problems, so below we offer a few tips:

- Where possible, when looking for a trader, go on recommendation from someone you know
- Get three quotes so that you know the price you are paying is reasonable and fair.
- Always get quotes in writing and make sure they set out what exactly you will receive for that price
- If a trader needs to visit you in your home and you will be alone, see if you can arrange for someone else to be there for extra support in case the trader puts pressure on you.
- If the contract is signed in your home and is for over £35, make sure you are given a seven days cancellation notice – you will almost certainly be entitled to this in law and means that you can change your mind up to seven days after signing the agreement.
- If you are given terms and conditions, make sure you read them before signing the contract. Be careful if you are asked to sign something to say that work can start there and then – this will impact on your right to cancel the contract.
- If possible, look for a trader that is a member of a Trade Association as many of these will operate a Code of Practice for their members and some also offer a mediation scheme in case of problems.

In addition, you can get a free 'We're not buying it' sticker for your front door to discourage salespeople from calling on you at home in the first place. Simply contact Consumer Direct for one of these (details below).

You can also reduce the number of telephone sales calls you receive by registering with the Telephone Preference Service on 0845 070 0707 or online at www.tpsonline.org.uk.

If you need advice on this or any other consumer issue, contact our partner organisation, Consumer Direct, on 0845 4040506 for free, impartial and confidential advice. Calls cost no more than 4p a minute for BT customers -other networks may vary.

VEHICLE CRIME REDUCTION EVENTS

The South Cambridgeshire Crime and Disorder Reduction Partnership would like to invite all South Cambridgeshire residents to their vehicle crime reduction events.

Organised by the police and South Cambridgeshire District Council, the unique events are running throughout December.

Visitors will have the chance to get hands-on advice and information directly from the police on how to keep valuables safe in their cars during the Christmas season.

Chief Inspector Dave Sargent said: "This is a unique opportunity for the public to come and meet the local policing teams, crime reduction officers and partners and seek advice and guidance on keeping their vehicles safe and secure. Seasonally this time of year always sees an increase in people's cars being broken into by opportunistic thieves searching for presents. We will do anything we can do to raise awareness."

The mobile police unit will also be on hand to give residents the opportunity to directly discuss any concerns they may have in their local area with the police.

The events will take place between 4pm and 8pm on:

Thursday 2 December at Morrisons car park, Cambourne

Thursday 9 December at Tesco car park, Milton

Thursday 16 December at Tesco car park, Bar Hill

For more information please contact Tara Crabtree, communications officer at South Cambridgeshire District Council on 01954 713262.

NEIGHBOURHOOD PROFILE UPDATE

(relevant extracts)

Objective	Tackle anti-social behaviour at Recreation Grounds in Bourn, Caldecote and Comberton
Action Taken	Your neighbourhood team conducted 21 proactive patrols of potential hot spots during the period and responded to one recorded incident of ASB in these areas. Nobody was found to be causing ASB during any of these patrols and, reassuringly, the groups spoken to on two occasions were well behaved and interacted in a positive manner with officers. These patrols have had two additional beneficial outcomes as they resulted in 3 drug searches and a cannabis warning being issued at Byron's Pool and three door to door sellers being stopped and searched in the Hardwick area.
Current Situation	No identified ASB trend in the previous hot spot areas at this time.

Continue or Discharge?	Discharge the action plan. As the occurrence of ASB on recreation grounds tends to make this more relevant during the summer quarter, consideration should be given to revisiting this action plan at the May 2011 Panel Meeting.
-------------------------------	---

Comberton Ward

Crime

- Only six offences were reported in Comberton Ward over the three month period which is lower than the previous period and the same period last year. Due to the small number of offences no patterns or trends were observed.

ASB

- Over the three month period, there were only ten ASB incidents reported.
- Three of these calls from the same location concern a male who either has harmed himself or is threatening to do so.
- Two calls from Harbour Avenue are complaints about vehicles parking inconsiderately to drop children off at the school, which is causing problems for buses and for children who want to cross the road.

COUNCIL AIMS AND APPROACHES PROPOSED 2011-2012

Public consultation - Help to shape our future direction! Budget and objective setting from 2011

We're already thinking about our service priorities for 2011 onwards and how they'll be paid for at a time when substantial reductions in funding are anticipated. We've developed 15 key actions which we intend to carry out in 2011/12 to improve customer service and the local environment in which you live and work. The actions will be finalised in February 2011, along with our budget for the following year but, before we do, we're keen to hear your views on whether these actions are the right ones.

Please take a few moments to tell us your thoughts, by [completing our online survey \(https://www.surveymonkey.com/s/JDZM9FY\)](https://www.surveymonkey.com/s/JDZM9FY); alternatively please telephone (01954) 713366, or email policy.performance@scams.gov.uk ([This link will open in a new window](#)) if you'd like us to send you a hard copy, or pop into the [Council Offices](#) to pick one up.

LAWN CARE IN DECEMBER

Access on foot is not affected

before it competes with the lawn. Treating now allows the moss to die back and the grass to fill in. Don't leave until the spring as it will not be as effective.

Aeration

Soil compaction is a frequent cause of turf deterioration and moss invasion. For optimal effectiveness the lawn needs aerating in autumn/winter. Over sow additional grass to help any bare areas re establish before weed and moss do!

Actions required in December

- Carry out Moss control
- Aerate lawn if conditions allow
- Brush off worm casts (or treat the cause of the problem)
- Look out for disease

The lawn owner can carry out some of the above tasks; other tasks may need some professional intervention.

WINTER SUNLIGHT IN THE GARDEN

Helen Skaer

The characteristics of winter sunny days are low light angles; 14° elevation at mid-day for the winter solstice in Cambridge. This effect means that we tend to get light reflection off the plant, tree and shrub stems. This is one reason why coloured stem plants, such as those belonging to the genus *Cornus*, create such a good effect in winter gardens. In contrast, the sun's elevation at the summer solstice is 61°; light bounces off the top of flowers and we see them to their best effect in summer. Graham Stuart Thomas in his book 'Colour in the Winter Garden' (costs 1p plus P&P from Amazon!), the most comprehensive English book on winter gardens, makes use of the sun's low elevation in planning the garden. His advice is to arrange coloured stem plants on the north, east and west sides of a garden so that they will pick up the sunlight. Tall plants situated on the south side will be in their own shadow and their stems will look unremarkable.

Winter bark effects

Good winter gardens make strong use of bark on trees as a feature to promote. I have written before on various coloured barks from the genus *Cornus*, so will resist the temptation to repeat myself. However, I have come across an interesting colour pairing with *Cornus alba* 'Westonbirt'. The 'black ivy', *Hedera helix* 'Atropurpurea', has dark green leaves that turn dark purple in winter. If the ivy is grown against a south-facing wall, and then the Westonbirt is planted in front of it, the bright crimson *Cornus* stems stand out wonderfully, in low-angled sunlight, with the backdrop of deep purple. The contrasting colours are stunning. Birch trees provide a good range of pale coloured barks. The British native silver birch has the bark surface spoiled by black nodules and crevices; as a consequence, many smooth bark species have been introduced. A favourite is *Betula utilis* var. *Jacquemontii* 'Silver Shadow'; this has superb white stems and a velvety feel. Another good variety is 'Jermyns' with cream bark on the main trunk and old branches, together with copper bark on new branches. A more unusual birch is *Betula lutea* *alleghaniensis*; its bark is a soft amber-buff colour. All these birch varieties look their best if they have a dark evergreen hedge, such as yew or *Thuja plicata*, as a background to contrast with the sunlit stems. If the birch trees are grown on an area of grass, they can be under-planted with spring bulbs. For mown grass there can be no better sight than a swathe of *Anemone blanda* 'White Splendour' to pick out the white-coloured trunks, or if you like a sharp contrast, try *A. blanda* 'Blue Shades'.

Have a happy Christmas. Take time out on a sunny day in January to visit the Winter Garden in the Cambridge Botanic Garden.
